Participation Only Program

Students in the Participation Only (Category 2C) program are registered with their local county school district to homeschool. These students may participate in activities and sports on the RBCS campus, and 7-12th grade students may be charged a homeschool fee in addition to any regular fees to participate in campus activities. Educational Therapy may also be purchased if space is available (please see the link for more info: <http://rbc.org/academics/educational-services/>).
