Full-Time Tuition is due prior to the start of classes. Regardless of grade level, all tuition rates are per student; no discounts are available (such as prepayment, multi- child, alumni, etc.).

For Grade Levels 6th-12th: Tuition rates apply to a maximum of seven classes per semester (for more than seven classes, please contact the Business Office for rates). The above rates are for seven (7) classes not six (6) as is typical for the lower grades or other schools. RBCS Online Academy allows for seven classes in order to meet the credit requirements for a diploma. The standards for an RBCS diploma are higher and more rigorous than almost any other school and therefore the need for the additional class load.

Individual Classes or Partial Class Load: Individual Elective or Bible classes (one credit) are available. All tuition and fees must be paid in full in advance prior to the start of class(es) and are non-refundable.
