Dear Parents,

I hope you are having a wonderful summer! We are progressing in our preparation for the start of the school year. To date, 619 students are registered for this fall. We praise God for His continued blessing on our school, and rejoice that so many people are opting to send their children to RBCS!

As you may already know, our RBCS Annual Fund is a program of voluntary giving supported by parents, grandparents, and friends of RBCS to aid us in our mission to provide a high quality, Christ-centered, affordable educational program. The Annual Fund is designed to supplement the difference between the actual costs our school incurs in its mission, and the tuition and bus fees we charge to parents. This past academic year \$16,542.55 was given to the Annual Fund by 102 families. Those gifts are greatly appreciated and have enabled us to make significant progress toward our goals of retiring long-term debt and setting aside money for the materials needed to furnish our new Academy building.

Construction continues on our new building which will house our library, computer lab, science lab, music room, Discovery therapy rooms, and Academy classrooms. With the volume of rain we have experienced it is doubtful that the new building will be completed by August 24th. Please continue to pray for steady progress toward its completion.

This year's Annual Fund will be directed toward the same goals -- continuing to retire all long-term debt and purchasing the equipment needed to furnish our new facility. Additionally, we will be needing funds to purchase additional vehicles to transport our growing student body. Our goal for the Annual Fund this year is \$25,000. If only 250 families would commit \$10 per month, or if only 100 families would commit \$25 per month, our goal would be easily attainable. Just think what we could do if each of the 400 families of students enrolled would contribute to the Annual Fund! Please pray about your part in this. Enclosed is a pledge card. If you desire to participate in RBCS's efforts to raise up godly, well-equipped young leaders, please fill out the enclosed pledge card, and return it to us along with your gift.

We are looking forward to a great year! Please pray for our administrators, our teachers, and our students as we start a new year. May God be glorified in all that we do! God bless you.

In Christ's service,

Steve Mobley
Development Director

Bear Discipline System for K3-K4C

John 15:8 "By this is My Father glorified that you bear much fruit, and so prove to be My disciples.

Happy Bear - Everyone starts with Happy Bear, (allowed one warning).

Sad Bear - After 2nd warning, clothespin moves to Sad Bear.

Uh-Oh Bear - After 3rd warning, clothespin moves to Uh-Oh Bear.

Thinking Bear - After 4th warning, clothespin moves to Thinking Bear; child moves to thinking chair.

Phone Bear - After 5th warning, clothespin moves to Phone Bear; parent is called.

Spanking Bear - After 6th warning, clothespin moves to Spanking Bear; child is spanked.

Each day, you will receive a copy of the bear that your child's clothespin is on.

Greetings from K4C,

Friday, September 2, we will be having Apple Day. We will be studying the apple as a unit, combining phonics, math, science and history. Can you please have your child bring in an apple by Thursday, September 1, 1994? We will be making apple crisp for snack. If your child has any clothing that has apples or the color red, encourage them to wear them.

Thank you for allowing Mrs. Dail and I to teach your precious child.

In Christ,

Mrs. Gilda Winn

Dear Kindergarten Parents,

This is a letter to notify you of a few items of general interest at the beginning of this new school year.

General Information: Please label all lunchboxes inside and out with a permanent marker or fingernail polish. Label all sweaters, jackets, and school bags. (Note: The boxes for your child's belongings are 8" x 10".) Your child's lunchbox, coat, reading book, and papers must all fit into this small box. Please give all notes for bus changes, checks, medication schedules, etc., to the bus driver, rather than to your child.

Dress: No specific dress codes apply on a kindergarten level. Children should be dressed neatly and comfortably. Shorts are permissible. It would better help teachers to monitor restrooms if clothing is such that it fosters independent habits. Please keep in mind that the children go outside regularly for recess, even on cold days. Therefore, they should be dressed appropriately. Wearing of mittens is not generally advised because they can be easily misplaced. All outerwear should be labeled with your child's first name and last initial. This will facilitate easier location of lost articles.

Lunch: Full-day students need to bring a sack lunch. Children are required to drink the milk provided by RBCS unless you give us a note to the contrary. It has been our experience that most 3 year olds do not eat much. Any leftover food will be sent home. If this becomes a regular habit, you may wish to reduce the size of the lunch. Do not send anything to be heated. Please limit the amount of sugar in your child's lunch. Large quantities of sugar affect your child's behavior and his academic performance.

Sickness: Please do not send a child to school with a fever or any other signs of illness. (A good guideline is to wait until there has been no sign of fever for a 24 hour period.) Medication will be administered if there is a written note with explicit instructions. Please send it with the bus driver rather than with your child or in his lunchbox. Your cooperation will help to insure safety, thus possibly preventing an accidental overdose by an inquisitive youngster.

Stop Problems Early: If at any time you have questions about anything regarding your child, please call his or her teacher after 1:00 p.m. at 678-2885. We may not perceive a problem in the same way because we have different bits of information; we must communicate.

Room Mother: Each class would like one parent to volunteer to be a room mother. Would you be available to take this responsibility? It would involve telephone calling of other parents when we need help with various projects. Please let your child's teacher know if you can assist in this way.

Notes from Home: Please give any bus changes, checks, medication schedules, or other important notes to the bus driver. This will insure that we receive communications from home.

Birthdays: It is permissible to send cookies or cupcakes on your child's birthday, but please notify the school in advance. These items may be sent with the bus driver.

Toys: Please do not permit any toys, pencils, pens, etc., to be brought from home.

Books: A story book may be brought for "storytime." These should be short, taking no longer than five minutes to read. Since the RBCS emphasis is to "lift up the Lord," we would prefer that stories related to Halloween, Santa Claus, Easter bunnies, etc., not be brought.

Homework Assignments: Monday through Thursday, K4 and K5 kindergartners will have a reading assignment. These should not require more than a 15-30 minute practice period. Cooperation in this greatly enhances the prospects of a fruitful academic year for your child.

Programs: Kindergartners present two programs during the school year. One is held at Thanksgiving. A second is presented in May. Every child participates. More specifics will be issued at the appropriate time.

Report Cards: Children receive report cards on a quarterly basis (10 week grading periods). In the meantime, if your child is having any particular problems, you will be contacted by the teacher or the supervisor.

Supplies: If your child is a full day student and is in the K3 or K4 program, please send a mat for nap-time labeled with his or her name in permanent ink. We request that each student bring a box of Kleenex. All K3 and K4A students need to bring an extra change of clothes to leave at the school.

Snacks: In order to provide a nutritious snack for our children, we have used RBCS resources to purchase orange juice for snack time. We are asking those parents who would like to help us provide a snack to accompany the juice to fill in and return the form below. We prefer the assorted crackers (graham, saltines, cheese, wheat, etc.).

In Christ's service,

Dear RBCS Lower Elementary Parents,

The purpose of this letter is to explain to you the rationale for, and the nature of, our "tally system" used in the Lower Elementary Department to help build Christian character in our children. First, let me share with you some thoughts concerning virtue as spoken of in the Scriptures. Then I'll explain how we want to use the tally system to develop it in our children.

The Scripture exhorts us as Christians to be possessors of virtue.

Simon Peter, a servant and an apostle of Jesus Christ, to them that have obtained like precious faith with us through the righteousness of God and our Savior Jesus Christ: Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, according as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue: Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust. And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; And to knowledge temperance; and to temperance patience; and to patience godliness; And to godliness brotherly kindness; and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ. But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old sins. Wherefore the rather, brethren, give diligence to make your calling and election sure; for if ye do these things, ye shall never fall. 2 Peter 1:1-10

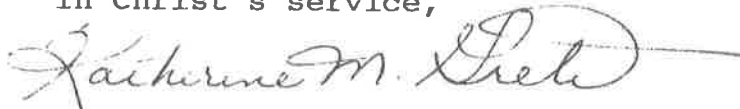

Biblical virtue can be described as all those things pertaining to godliness or godly character. According to Webster's 1828 Dictionary, virtue is moral excellence, right thinking and action, goodness, or morality. These distinctives can be called marks of character. The character of an individual is a summation of those virtues which distinguish one individual from another. Without positive virtues,

1. A list of possible black tallies, referred to as the Walk in the Spirit Chart. You may keep this chart at home for your own reference.
2. Also attached you will find a sheet titled Explanation of Red Reward Tallies.

This is the information you need concerning spankings. If a student receives 5 remorse (black) tallies for TK-taking (stealing), L-lying, ID-intentional disobedience, IS- insolence, or E-evil doings and speakings, the student will be spanked at school. If a student receives 5 remorse (black) tallies for other offenses we feel the student is out of control and should be chastised. We ask, in such cases, that you as the parent handle the chastisement at home in any way you see fit.

If your student has 10 or more remorse tallies in one week, you will be notified by letter. If a student receives 100 remorse tallies within a quarter (45 days) the student will be suspended from school for a period of time determined by myself and the parent involved. If you have any question concerning this letter or the tally system, please feel free to call me. Please fill out and return the attached form so that we may know you have received this important communication.

In Christ's service,

Katherine M. Grete, Supervisor
Lower Elementary Department

Explanation of Red Reward Tallies

"CREATE IN ME A CLEAN HEART, O GOD..." PSALM 51:10

"This I Say Then, **WALK IN THE SPIRIT**, And Ye Shall Not Fulfill the Lust of the Flesh." Galatians 5:16

GOAL	MISBEHAVIOR Tally Initial in ()	MISBEHAVIOR EXPLAINED	SCRIPTURE	REFERENCE
W	Work Incomplete (W)	Work incomplete indicates that homework or class assignments have not been completed on time.	"The hand of the diligent shall bear rule: but the slothful shall be under tribute."	Proverbs 12:24
A	Attitude Problem (A)	Attitude problems are expressed through actions and/or facial expressions which show a defiant, haughty spirit, and uncooperative attitude.	"He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city."	Proverbs 16:32
L	Lying Tongue (L)	Lying entails a misrepresentation of, or anything spoken (or otherwise communicated) which is other than, the truth.	"Wherefore putting away lying, speak every man truth with his neighbor: for we are members one of another."	Ephesians 4:25
K	Kindness Neglected (K)	Kindness is neglected when any word or action, affecting either staff or peers, indicates the absence of biblical love.	"Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves."	Philippians 2:3
I	In Confusion (IC)	Confusion is demonstrated by a lack of orderliness and includes those offenses not specifically covered by other rules.	"Let all things be done decently and in order."	1 Corinthians 14:40
N	Not Listening (N)	Not listening would include inattentiveness to oral instruction, not following directions properly, and carelessness in determining the correct page and place in classwork.	"Hear counsel, and receive instruction, that thou mayest be wise in thy latter end."	Proverbs 19:20
T	Talking With- out Permission (T)	Talking when or in a way which is not authorized is not permissible.	"Whoso keepeth his mouth and his tongue keepeth his soul from troubles."	Proverbs 21:23
H	Hullabaloo (H)	Hullabaloo is considered to be any disturbance, whether it be noise or activity, which becomes a distraction to the class or impedes learning.	"For God is not the author of confusion, but of peace, as in all churches of the saints."	1 Corinthians 14:33
E	Evil Doings And Speakings (E)	Evil doings and speakings include any purposeful activity which includes evil, such as the use of tobacco, possession of pornography, vulgar speech etc.	"Keep thy tongue from evil, and thy lips from speaking guile. Depart from evil and do good; seek peace, and pursue it."	Psalms 34:13-14

GOAL	MISBEHAVIOR Tally Initial in ()	MISBEHAVIOR EXPLAINED	SCRIPTURE	REFERENCE
S	Stewardship (S) Ignored	Improper stewardship would involve not exercising wisdom in the use of time and property and includes the misuse of either.	"He that is faithful in that which is least is faithful also in much: and he that is unjust in the least is unjust also in much."	Luke 16:10
P	Poor (P) Manners	Any discourtesy affecting teachers and/or peers (such as a student passing between two people and not excusing himself; name calling, teasing that purposefully offends, insults and rudeness).	"But the fruit of the Spirit is love, joy peace, longsuffering, gentleness, goodness faith, meekness, temperance: against such there is no law."	Galatians 5:22-23
I	Intentional (ID) Disobedience	Intentional disobedience is open defiance or absolute refusal to obey a direct command. Cheating, hitting a teacher, or other serious behavior would come under this category.	"...Behold, to obey is better than sacrifice, and to hearken than the fat of rams. For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry.	1 Samuel 15:22b-23a
R	Repeated (R) Sin	Repeated sin is the willful act of disobedience concerning God's Word and biblical authority in spite of previous rebuke and correction.	"Therefore to him that knoweth to do good, and doeth it not, to him it is sin."	James 4:17
I	Insolence (I)	Insolence is the display of a proud heart exhibiting bold disrespect for authority in speech or behavior.	"Pride goeth before destruction, and an haughty spirit before a fall."	Proverbs 16:18
T	Taking (TK)	Taking, in this regard, involves the stealing, or unauthorized use, of the property or work of others.	"Thou shalt not steal." "Let him that stole steal no more: but rather let him labour, working with his hands the thing which is good, that he may have to give to him that needeth."	Exodus 20:15 Ephesians 4:28

IMPORTANT INSTRUCTIONS:

1. Each child must score the initial of the tally on his paper foot at the time of rebuke.
2. At the end of each day, the homeroom teacher will make a record of each child's tallies and send the foot home with the child.
3. A new, "clean" foot will be used each day for every child.
4. One tally is scored for each offense except for the initials ID (Intentional Disobedience), L (Lying), E (Evil Doings and Speakings), I (Insolence), and TK (Taking), which are to immediately receive five tallies for each offense.
5. The use of the rod for five tallies, other than those mentioned in #4, should be administered by the parent. The offenses listed in point #4 will be dealt with by the teacher at school.

Dear Parents of _____;

For the week of _____, we will be featuring your child on our "All About Me" bulletin board.

Would you please send us as many of the following pictures as you can? (Please send no pictures larger than 5 by 7.

Snapshots are preferable.)

1. Your Child Alone
2. Your Family
3. Your Home
4. His/Her Favorite Toy
5. His/Her Favorite Activity (Ballet, Soccer, etc.)
6. Special Friends

Send them to the class in an envelope by _____.

These pictures will be returned at the end of the week.

I'm confident the children will enjoy seeing their pictures on our special board. Thank-you so much for your support.

Dear Parents,

We are off to a great start! Your children are precious. Thank you for allowing us the opportunity to love them this year! Please be assured that we will do just that!

You may expect a "Monday Letter," each week, telling you what will be happening. This week we are exercising lots of mercy as we are teaching the children what is expected of them. If something comes home that you have a question about, please feel free to send a note or give me a call.

Please send your child's box of supplies as soon as possible as we use them every day! ☺

Also, because of our schedule, we must eat snack on the way to P.E. Therefore, could you please send something that is easy and quick to eat and is completely disposable - no spoons, etc.

We will be working on a project this week and next and we need a small picture of your child. It will be returned! Thanks and have a great week!

In Christ's Service,
Janet Ferguson

Dear Talent Development Parents,

To develop understanding and insight into the patterns and symbols of mathematics, we will be using concrete materials in our classroom. These materials are designed to provide activities to help children see relationships and interconnections in mathematical ideas and concepts.

Many of these concrete objects are common items that anyone may have in their home. In order to better equip our room with the "work boxes" we need for learning, we would appreciate contributions of the following items:

1. buttons
2. large wooden beads
3. uncooked pasta (bowties, elbow, rosettes, shell or any other silly shape)
4. keys (no longer in use!)
5. clean milk jug caps
6. small or medium sized sea shells
7. greeting card boxes
8. uncooked large lima beans
9. uncooked pinto beans
10. uncooked large navy beans
11. toothpicks
12. small plain ceramic tiles
13. large colored plastic coated paper clips
14. screws
15. nuts/bolts
16. washers
17. aerosol can caps
18. unmatched socks for blackboard erasers

Thank you for your help. We appreciate all you do.

Sincerely,

Mrs. Cathy-Anna Faile

Fast pitch girls softball

The Valparaiso-Niceville Girls Softball Association is considering establishing a fall modified fast pitch softball instructional league for girls 13 to 18 years of age. Girls must be 13 prior to the start of the league.

The projected dates for the league would be Sept. 6 through Oct. 28. Individual cost will be determined by the number of girls interested. If you are interested in playing in this league contact John Englert at 897-3377 or Pete Mitchell at 678-2934. Leave your name, age and phone number so that we can get in touch with you with more details.

Soccer referee class

Soccer Referee Class will be held at Rocky Bayou Christian School on Sept. 6 through Sept. 9, from 6 p.m. to 9:30 p.m. and on Sept. 10, from 9 a.m. to noon.

This will be for age 13 and up. The cost is \$25 for class and \$25 to register as a USSF Referee, plus uniforms and equipment. Call Mary Manley at 678-6853.

Dear Students, Parents, and Staff,

Below is the new menu schedule for the RBCS lunch program effective August 24, 1994.

Our lunch program provides a way for various clubs in our high school to raise funds for club activities. High school students take orders and deliver lunches to earn credits to pay for the annual TEEN-PAC trip, choir trip, and other special functions.

So remember, when you purchase a lunch at school, you are not only paying for a delicious meal, but also helping to support some of the many extracurricular educational opportunities available to RBCS students.

We welcome your comments and suggestions on our lunch program.

Sincerely,

Mary Stoer

Dear RBCS Parents,

Next Wednesday, September 7 is picture day. Olan Mills will be taking your child's Fall photo. The photographer suggests that you dress your child in bright, colorful clothing. Please prepare your child to be photographed even if you do not plan to purchase pictures, since these pictures will be used in the RBCS yearbook.

However, if you do plan to purchase, **PICTURES MUST BE PREPAID OR NO PACKAGE WILL BE PRINTED** by the photographer. These pictures will be back in time for Christmas.

Please fill out the attached envelope indicating which package you would like to purchase and return the envelope any time prior to September 6. **Please make checks payable to Olan Mills.** You will need to fill out an envelope for each student buying photos and include a check for the correct amount of that package.

We will begin taking pictures at 8:15 beginning with kindergarten and working up to the 11th grade. Please help your child's teacher by completing the envelope correctly.

Dear RBCS Parents,

"Praise His Name with Dancing"

Welcome to the RBCS 94-95 school year. The ballet program will continue as before, with classes treated as an art/PE elective on Tuesdays during school hours. The classes for grades 01-5A are an hour long; other classes are forty-five minutes. A leotard of any color and style is required, along with pink (for girls) tights and pink ballet slippers. You can get the complete outfit at D.K. Actionwear across from the Santa Rosa Mall (FWB) for \$24.95. Also, Center Stage in Ft. Walton Square sells dance wear, and Crestview Wal-Mart stocks ballet slippers for \$9.99.

Please register ballet students by returning the bottom portion of this letter along with the first month's payment (\$16 monthly for one child, \$26 monthly for two or more) to your child's teacher. Make checks payable to Lisa Simmons and put both in an envelope with my name on it.

The first day of class is September 6 (Tuesday after Labor Day), so don't forget! Feel free to call my home at 892-6276 with any questions. This is a twenty cent call from Niceville, but long distance from FWB. You will receive a copy of the "ballet policy" upon registration. Please respond promptly to help the teachers and I to coordinate schedules. I'm looking forward to training your children in the art of classical ballet.

Thanks,

Lisa Simmons

Dear RBCS Parents,

Thursday is primary election day. Please take time to cast an informed vote.

As a church organization (RBCS is a ministry of the Northwest Florida Christian Education Association - NFCEA - an association of churches), RBCS is a participant in the Great Commission to disciple the nations by baptizing ... and teaching to obey all Christ has commanded his people to do in every area of life.

American Christians have the privilege and responsibility to participate in the election of our civil leaders. God told Moses to select "able men who fear God, men of truth, those who hate dishonest gain." (Ex 18:21) God also tells us that "when the righteous rule, the people rejoice, but when a wicked man rules, people groan." (Prov 29:2)

As a 501 (c) (3) organization, RBCS cannot and does not participate in electioneering or endorse candidates.

As a Christian educational ministry, RBCS facilitates the distribution of information to help our families make their own decisions. As a service to you, we attach an issue analysis by the Okaloosa County Christian Coalition plus literature from two candidates that requested that we pass their literature on to you for your consideration. If other candidates make the same request, we will pass their literature on to each family without comment.

May God raise up godly men and women to provide righteous leadership to our groaning nation.

Dear RBCS Parents of Kindergarten, Lower Elementary, and Talent Development Students,

We need your assistance to insure your child safely departs school. When you registered your child at RBCS, you listed the person(s), other than a parent, having permission to pick up your child. Anyone not listed will be denied the right to pick up a child from the RBCS campus. To carry out your wishes, we have designed protective procedures.

Except as explained below, RBCS teachers may not release a student to anyone, including parents, from their classroom door. All student pickups are to be done through an RBCS office. Authorized pickup persons must first go to the Upper Building (Bookstore) office to sign the child out on the "student sign in/sign out sheet." You may be asked for identification if the person behind the desk does not know you by sight.

After ascertaining that the person is an authorized pickup person, the receptionist will issue and initial a Pick Up Pass.

The Pick Up Pass is to be taken to the correct office secretary (the Kindergarten Office for a Kindergartener, the Lower Elementary Office for grades 01-05 and the Talent Development Office in the Gym for Talent Development students).

However, for elementary grades 5A (teacher, Mrs. Mays) and 06 (teacher, Mr. Isaac) - located in the Upper (bookstore) building - and the two modular units outside the elementary building which house grades 06 (teacher, Mr. Lowrey) and grade 6A (teacher, Mrs. Babbitt) - the Pick Up Pass is to be presented at the classroom door.

When a Pick Up Pass is presented at the correct office, the office secretary will receive the Pass, initial it, and present it to the correct teacher or teacher assistant. The teacher/assistant will then help the child gather up his books, assignments, sweater or coat, etc., and either the

Page 2

Because this is a time-consuming procedure, it would be wise to send a morning note to your child's teacher letting her/him know that your child will be picked up early - at what time and by whom. Early notification will alert the teacher to help your child be ready to go. When you need to pick up your child, make sure you allow yourself extra time to follow these procedures. Start early!

Please cooperate with our efforts to protect your child in this dangerous age in which we live. Even though many of you are well-known to the staff and have done things more conveniently in the past, we ask that you please be understanding of our need for care and follow the procedures. This will be an easy procedure to follow and will be for the safety and well-being of our students. **Thank you for your help!**

P.S. Just a reminder. When you bring your child to school on any given morning, if your child arrives at school later than 8:15 AM he is tardy. In such a case, take your child into the Upper Building (bookstore) office, sign him in on the "student sign in sheet" and receive from the receptionist a "Tardy Pass/Report" for your child to present to his teacher. Thank you!

Due to the queries I have received regarding gymnastics, I'm sending this newsletter home to gauge interest in participation. Enclosed is a curriculum outline as well as philosophy and dress code. RBCS will be offering gymnastics as a P.E. elective, open to boys and girls. Due to the limited class size (15 children per class-2 coaches) sign up is on a first serve basis.

Classes will be held twice a week during P.E. period at a cost of \$24.00 per month (checks payable to RBCS). If your child is interested in the program, please return the bottom portion to their class teacher and an enrollment form will be forwarded home. If you need more information or have questions please feel free to call me evenings at 892-6271.

FUN - FITNESS - FUNDAMENTALS

FUN - Flipping, turning, jumping through the air, unlike sports such as swimming and track which are repetitious in nature, gymnastics has hundreds of skills to be learned.

FITNESS - Development of: motor skills, muscular endurance, strength, flexibility, balance and coordination.

FUNDAMENTALS - Through developmental progressions the six dominant movement patterns will be introduced. These are the building blocks for more complex skills and for sound development of a gymnast.

WARM-UP IS IMPORTANT - WHY?

In warm-up you accomplish the following:

1. An increase in body temperature.
2. An increase in heart rate.
3. An increase in joint flexibility
4. A decrease in risk of injury.

Key skills will be introduced in the warm-up that will later be repeated on apparatus, so it is an important part of each class lesson.

CLASS POLICY

1. Gymnast on time for warm-up.

2. DRESS CODE: Boys - Shorts above the knee (no jams or bermudas)

T-shirts neat and tucked in

Barefoot or gymnastics shoes (no socks)

GYM FIT GYMNASTICS

GYM FIT offers a new concept in teaching gymnastics and movement education. GYM FIT is a noncompetitive program allowing for success at a child's personal skill level. Components of the program are outlined below.

CURRICULUM OVERVIEW

Each class has a theme based on one of the Olympic Gymnastics Disciplines--but geared for a child's ability level and interest. GYM FIT's approach to training athletes does not differ from training preschoolers to elite athletes--the same techniques are taught so there is never any "relearning" should a child decide to pursue gymnastics at a competitive level. GYM FIT techniques follow the United States Gymnastics Federation guidelines, our coaches are Safety Certified and attend the U.S.G.F. National Congress every year so you are receiving the latest in gymnastics curricula.

EQUIPMENT

GYM FIT skill builder shapes are colorful and stimulating. Children are excited about learning, at the same time their natural curiosity and instinct to explore are satisfied. No teaching method is as effective and exciting as equipment set-ups for challenging students to perform at their very best. Our coaches offer effective coaching in a playful setting that leads to strength building, skill development and self confidence in a positive and safe environment.

CLASS TIME

The length of a class is dependent on the age group of the children involved but ranges from 45 minutes to one hour twice weekly. The first portion of the class consists of a group warm-up. Gymnastics positions and key skills and drills are introduced to be repeated later on apparatus. Stretching as well as a short aerobic session are included in the warm-up. Music is used to create rhythm and set the pace.

The next section of class is a continuous movement circuit or "learning trail", consisting of skill builder equipment arranged to fit the day's gymnastics theme. Throughout the circuit movement patterns are repeated in a variety of ways reinforcing the new skills.

The third phase of class is the warm-down. Team work and cooperative partner exercises are introduced; learning to coordinate and work together, sharing space, equipment and taking turns is an important aspect of the warm-down.

Help Us Make Our Yearbook Special!

Dear Parent,

A picture is worth a thousand words. That's why we are so excited about the opportunity for our school to have a full size yearbook that will capture and preserve the memories of our 1994-95 school year. Because a yearbook will be treasured over a lifetime, we are creating a beautiful hardcover book to be published by Josten's, America's premier high school yearbook company.

A Very Special Message

Our school's yearbook will be loaded with individual student pictures, along with pictures of our staff and school activities. There will be a unique section, filled with memorable handwritten notes from parents to their children. We are calling these very special messages **PrideLines**. We want every parent to participate, so we have a free wonderful opportunity for you.

Your PrideLines Note Free

Every parent or guardian may create his or her own personal **PrideLines** at no cost or obligation. We want our yearbook to include an encouraging message to every student, so please write a free **PrideLines** note to your child. We also urge you to reserve copies of your child's 1994-95 yearbook. Even if you don't reserve your child's copies, please complete the **PrideLines** block provided on the reverse side of this letter. Every student who returns this letter to school will receive a "Mr. Earl" Fan Club Card and will be eligible to enter a drawing for an all expense paid family vacation to Disney World in Orlando, Florida.

Thank you for caring,

Your Child's School

P.S. Reserve a copy of our 1994-95 yearbook by marking "Yes" on the reverse side of this letter. Each hardcover yearbook is \$15 (plus tax and handling). You will be billed later, by mail. If you choose, you may use the 3 payment option.

Clinton's call to arms wins few supporters

By SHERRY SAPP and BRUCE ROLFSEN

Daily News Staff Writers

President Clinton's efforts to bolster support for a massive armed invasion of Haiti has won a few local supporters — but not many. And most of those support the plan only with reservations.

Steve Kennedy, post commander of the Veterans of Foreign Wars Post 10479 near Hurlburt Field, is among the few who said he sees the need for a military invasion of the Caribbean island nation to restore the presidency of Jean-Bertrand Aristide.

"I'm all for it," the Vietnam veteran said. "It is too close to our back door. We ended up letting Castro get away with it, and look at what we ended up with down there. I'm not all that in favor of Clinton, but it's not just him (who favors military action)."

Other local residents in a random sampling didn't favor the plan.

"I think it is the stupidest thing I've ever heard of in my life, but absolutely typical of this man," said Howard Dimmig, who retired in 1988 as chief scientist of the then-Armament Division at Eglin Air Force Base.

"The (Thursday night) speech was just a bunch of political excuses," Dimmig said. "It is not, in my opinion, a problem for the United States. People left Haiti in boats, and they should have been returned to where they belong, where they started

from. They don't threaten us in any way, shape or manner."

He considers a plan to invade to be "100 percent politics" and the timing — just before November elections — to be suspiciously "interesting."

Politicians are stepping carefully through the unpopular political mine field.

"For three years we have tried every other means short of intervention, including a tough embargo and political and diplomatic isolation," U.S. Sen. Bob Graham (D) said Thursday. "They have not worked. There is no indication they will."

"We now face a choice: abandon the principle of democracy in our hemisphere or intervene," Graham said. "Our national interest makes the second option neces-

sary."

U.S. Sen. Connie Mack (R) favors an invasion of Haiti, but is still critical of Clinton's foreign policy, saying the president lacks credibility after backing down from previous threats.

"Ultimately, Floridians will continue to live with the threat of an immigration crisis on our shores until democracy and freedom are restored in Haiti," Mack said. "If the president decides to use the military to restore democracy in Haiti ... there must be a well-conceived military plan to move in, get the job done, and get out."

The national Libertarian Party issued a statement calling the plan "unwise, unnecessary and unconstitutional."

U.S. Rep. Earl Hutto (D), the retiring representative from Florida's District 1, expressed mixed emotions on Friday.

"... From a national standpoint, I cannot justify in my mind the likely loss of American lives that

may result from invading Haiti," Hutto said. "Therefore, I cannot support an invasion into Haiti without a debate and vote by Congress to approve it."

"We must continue to seek out other solutions to the situation in Haiti," Hutto said. "In the event the invasion does take place without congressional approval, I would join all Americans in standing behind our nation's military personnel."

Nearly everyone stands firmly behind military forces.

It's the plan that has folks out-

raged.

"I expect to see an extremely professional military do an extremely professional job that will be over very rapidly," said J.V.O. Weaver of Niceville, who retired as a lieutenant colonel in special operations at Hurlburt Field in May.

"There will be casualties," Weaver said. "It's not worth the life of one U.S. serviceman."

He considers Thursday night's speech absurd and the planned invasion nothing more than a political maneuver.

"People are undergoing human rights violations all over the world," Weaver said.

Clinton cited both Haiti and Cuba as non-democratic nations in the Caribbean, Weaver said. "Does that mean we're going to invade Cuba next?"

Bob Grete, a retired lieutenant colonel who now operates Rocky Bayou Christian School in Niceville, takes issue with the mass invasion method in particular.

The West Point graduate spent most of his last eight years in the

Air Force at Hurlburt Field and he believes a surgical strike by elite forces would be more effective.

"I hate to say it, because it goes against governmental policy, but I think going into a situation like this is absolutely stupid," Grete said. "To mow down a bunch of people just to get the dictator is stupid. It should be a Special Ops type of operation. We should go directly for the decision-makers. I was in Special Ops, so I know it can be done."

Dear RBCS Parents,

Each year RBCS has a fundraiser in the fall to help make up the difference between the amount RBCS charges for tuition and the real costs of Christian education at RBCS. As you are probably aware, the Okaloosa County public schools receive over \$5,000 annually per student from our tax dollars. We, contrastingly, charge only \$2,200 annually per firstborn student and even less for successive children within the same family, in order to keep Christian education as affordable as possible. Consequently, RBCS depends on the voluntary support of its families, friends, and area churches through our Annual Fund campaign, and the revenues we earn through our two fundraising projects.

Today your child(ren) will be bringing home information regarding our Christmas card fundraiser. The children are asked to take orders from family, friends, neighbors, and businesses for quality Christmas cards that will arrive by the second week of November. Please take the time to look over the information and encourage your children to sell. Again this year, we will be selling DaySpring cards. The quality of the cards is excellent and the content of the cards is genuinely Christian.

As a husband and father of four, I realize how valuable your time is, and I am aware that fundraising campaigns are inconvenient. Many families have had success by simply carrying the Christmas card catalogs with them to their workplaces, to the places that they do business, and to church friends.

Some practical details involving the administration of this project are as follows:

- 1) You will not need to collect sales tax on the card orders.
- 2) **Customers are required to pre-pay for imprinted cards only.** Others desiring to pre-pay may do so if they so desire.
- 3) **This year there is an order form enclosed in each brochure. Use this order form for all non-imprinted orders. The three-part carbonless forms are for imprinted cards only.** Please make sure that the order forms are written legibly. This is especially important for accurate imprinting.
- 4) Students should turn in orders and collected payments promptly (make checks payable to RBCS) to their homeroom teacher. **Please make sure the money is clearly identified with your child's name and homeroom teacher's name.**

If you have any questions, please call me at 678-5878. Thank you very much for your help.

Sincerely,

Steve Mobley
Development Director

Dear Parents of Grade 03 Students,

On Thursday, September 29, my class will put on a five senses display for our three year old kindergarten class. Our display is the culmination of the lessons on the senses that the third grade and K-3 classes have studied this quarter.

Your child and other classmates have picked the sense of _____. Please help your child select some item that represents or demonstrates the sense that he chooses.

I am hoping this will be a blessing for all the children. If you have any questions, please do not hesitate to call me at school or home.

Point Of View

"Put on the whole armour of God" Eph. 6:11

Did you get to read the Daily News editorial page on Labor Day? Suzanne Fields wrote about the flak responsible parents were getting from the People for the American Way (PAW) (who aren't). She said that the PAW people target the religious right (sounds better than religious **wrong**) for trying to get the public schools to give children decent books to read. PAW people evidently prefer the trash over the Bible. So do the National Education Association (NEA) leaders who make curriculum decisions.

In letters to the editor, Eleanor Farrell accused the local affiliate of the NEA of partisan political activity on school property, and a Don Gaetz for Okaloosa County School Board supporter tells us how Don

will tackle the discipline crisis in Okaloosa County schools.

As I sat on my back porch thinking about such things, the thought occurred to me that the NEA/PAW people sure do think differently about the education of children than Bible people do. The fruit of the secular humanistic religion of the NEA/PAW people has been the dumbing down of students, increased immorality with its attendant social costs, and a discipline crisis which has replaced Bibles with guns and knives in schools. I began to praise God that I did not have to subject my children and grandchildren to such fruits because God has drawn to RBCS a staff of 130 employees and volunteers (as of Labor Day) who are people who think biblically about the education of our

WHO CARES ABOUT ALBANIA?

Once again this year, RBCS will be supporting the Florida Association of Christian Colleges and Schools (FACCS) sponsored missions project "Inasmuch Albania." We have asked each classroom teacher to ask their students to con-

sider, as a class, to contribute \$20 per month to provide food, clothing and shelter to needy Albanian orphans. The information that follows will help you in your prayerful decision to support this worthwhile project. Please remember that for a class of 20, this would require a commitment of only \$1.00 per month per child. (If you should commit to the

children. I praise God that more and more families are realizing that the costs of educating their children in any way other than God's way are too high to pay.

In this and future issues of the Knightly News, we will feature a few of the fine people God has recently brought to RBCS. I hope you'll enjoy getting to know them as we work together to give our children a truthful, productive, character-building, and safe education.

Pictured above is Emila Akilad, an Albanian child sponsored by RBCS through the Inasmuch Albania project. "Ola" was abandoned when her parents left the country. She's a lively girl with a sweet personality.

THE PRINCIPAL SPEAKS

Don Welton

Another year has begun at RBCS and with it comes the joys and expectations of teaching your children in a Christ-centered environment. Rosters have been filled, new staff hired, and the schedule finalized. Students are becoming comfortable adjusting to the demands of the school. Our students (your children) look great this year. Thank you for your support of the new dress standard. If you haven't been by the school during the school day, please come by and visit some day real soon.

The past year has been a blessed one for RBCS and I thank you once again for your unselfish acts of giving. Just recently a parent gave 16 new electric typewriters to the school. The needs of the school are many, and resources are limited. Our philosophy has always been to put our resources into the children. The results speak for themselves. Praise the Lord.

This year I have a burden of particular concern to me that I would like to share. Many of you know of the present situation with the fieldhouse. It remains on steel girders outside the gymnasium. The fieldhouse has the shower and locker-room facilities for students from 5th-12th grades. Sufficient funds are still lacking to secure the building to a permanent concrete foundation. Because of this, students are forced to dress for gym in the existing lavatories. This is of great concern to us, not only for security, but also for health reasons.

The Lord continues to bless us and we are very appreciative. As you search your heart and determine your ability to support this ministry, I ask that you prayerfully consider helping to see the fieldhouse become operational. We need individuals with construction talents to help direct the project. If you are able to help in any way, please let me know by calling me at 678-7784 or Mr. Carlos Pineiro (Stewardship Officer) at 678-7358. God bless and keep you in the center of His will in this Academic Year 1994-95.

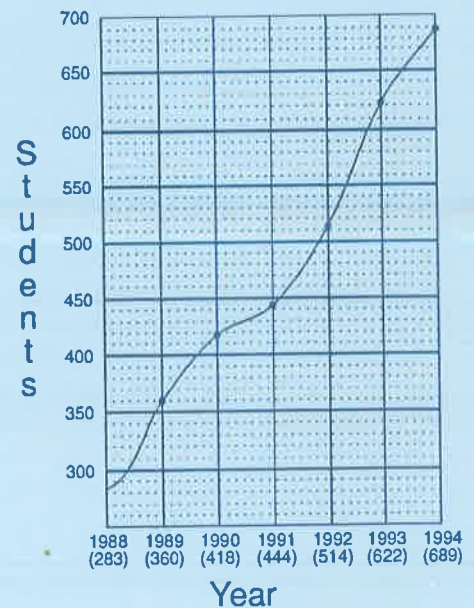

PRAISE THE LORD

While discontent, unruliness and the lack of learning plague the public school system, RBCS's quiver continues to fill. Our enrollment is now just below 700, as students continue to enroll on a daily basis. This year's enrollment represents a ten percent increase over last year. We thank God for both the parents who have made the choice to give their children a Christian education, and for the students who will be blessed by a Christ-centered education.

RBCS Enrollment

Greetings from Lower Elementary

Katherine Grete

The Lord never fails to do all things well! I praise Him for His mighty works:

- Our staff was completed only a few days before school began.
- We were able to squeeze into our allotted space by adding two modular buildings for lower elementary classes.
- We are awaiting a third modular building in order to split our present Regular 5th (05) grade class.

- We are able to hold Bible class in the new facilities of Grace Presbyterian Church.
- The Lord has sent about 290 lower elementary students.

The Lord has added many fine new families to the RBCS parent group. We thank all our parents, old and new, for allowing us to be co-laborers in the Lord's vineyard. We trust the Lord has sent the students He wants us to teach.

We ask for your prayers that we will continue to teach His ways and mold His children by His precepts, to walk in the path He has prepared for them.

We thank our mighty God for the task we have been entrusted with and we trust Him for fruitful results.

If you know of anyone who is considering a Christian education for a child or would like to know more about the school, please have that individual call 678-7358 or come see us. We would be pleased to explain the benefits of the Rocky Bayou experience.

Deborah J. Rutherford (Duncan) class of 1988, recently stop-ped by to tell us that her poetry has been published in this year's edition of the National Library of Poetry - At Day's End.

Deborah J. Rutherford
Class of 1988

During January of this year, Deborah entered a poetry writing contest with her poem "May God Bless Your Day." Her poem was judged to be an "Editor's Choice Winner" signifying the fact that her poem was evaluated as being in the top three percent of all poems entered.

Mrs. Joyce Thomas, her former English teacher at RBCS helped Deborah with the final publication of her poem. Deborah is a resident of

Seminole and is currently employed at the Winn Dixie of Bluewater Bay. Congratulations Deborah!

May God Bless Your Day

*May God bless your day
and keep you in His care always;
May His love shine so true
when you feel a little blue.
May He keep a song in your heart
and from you never depart;
May God guide your footsteps
this day and everyday.
Just a little closer to Him draw near;
Pray because He will hear.
I thought of you today
and I think of you everyday.
I say to God, "Please bless my

THE FEAR OF THE LORD IS THE BEGINNING OF WISDOM ... Psalm 111:10

Mike Mosley

Rocky Bayou mathematics students, grades 7A-12A, are looking forward to a second year of participation in the ACSI Mathematics League competition. Last year, RBCS was among the 50 schools, including 12 in Florida, that participated in a series of five exams in various mathematical subjects. The tests are administered on the first Wednesday of each month, beginning in January, at the participating schools. Results are then mailed to the ACSI office, verified, and published.

In results from AY 1993-94, Rocky Bayou placed third overall, finishing fifth in Pre-Algebra, sixth in Algebra I, third in Algebra II, and third in Calculus. Several RBCS students earned individual honors for achieving perfect scores on particular exams. These students included Michael Rizk, Stephen Tidwell, Trent Hamilton, and Michael Kostelny.

Top school honors were recently awarded in an Academy chapel ceremony. Michael Rizk and Ryan Martin placed first and second respectively in Pre-Algebra. Rizk missed winning the national pre-algebra top award by one point. In Algebra I, Trent Hamilton scored top class honors and Michael Kostelny came in second. Algebra II students Jonathan Blackburn and Leslie Richardson achieved first and second honors. Graduated seniors Ivan Pagan and Amy Bilby ranked first and second in Calculus.

Plans for this year's Mathematics League exams include Pre-Algebra, Algebra I, Geometry, Pre-Calculus, and Calculus. Hopefully, RBCS can improve on last year's encouraging results.

WOW! Look at all that good junk! What can possibly constitute GOOD junk?

- can lids
- can labels
- frozen dinner boxes
- bread wrappers
- cookie bags
- cracker bags
- cash register receipts
- camera & film boxes
- plastic soup pouches

Why save junk? To earn free items for our classrooms.

Like what? Like these things that we earned last year: a classroom set of 20 wooden clocks with moveable hands (catalogue price \$40.), a

classroom set of 16 trays of moveable fraction pieces, a classroom cassette player with 8 jacks and 8 sets of headphones, a 36" cage ball for P.E., a human torso model with removable parts (catalogue price \$300.), a 2 drawer file for the library's card catalogue, and hard cold cash for the scholarship fund.

Any other junk? Yes! Well what? We save labels, package containers, bread sacks, and some jar lids of products put out by the Campbells Company. They exchange their labels for free school equipment in their Labels For Education Program. Last year we were able to turn in

project, you may choose to send one \$12 check to cover the year.)

Albania is a small Eastern European nation lying between the former Yugoslavia, Greece and the Adriatic Sea. Albania claimed until recently that they were the only purely atheistic society in the world. Albania has remained virtually closed to the outside world, and that world seemed indifferent to the cries of the persecuted men, women and little children...Until now.

For the first time in history the doors into this reclusive and mysterious nation are beginning to open, and it is shocking to see the scale of repression these men, women and children have been forced to endure.

- Tens of thousand are on the edge of starvation...
- Hospitals are deprived of even aspirin...
- Families are emerging from prison camps, homeless and penniless...
- Orphaned children are in desperate need of care, food, shelter, and love...
- The economy is in shambles with unemployment at 75% ...

From what we know, this is only "the tip of the iceberg" with untold atrocities to be uncovered.

We are asking for you to help us take advantage of this "open door" and help this suffering land.

Our Lord said in Matthew 25:40, "Inasmuch as you have done it unto the least of these...you have done it unto me."

SUMMER CAMP NEWS

Mike Mosley

The Rocky Bayou Christian School Summer Day camp recently completed its most successful summer program. We began fifteen years ago with twelve campers and a staff of four. This year, Summer Day Camp ministered to over 500 different children and employed a staff of twenty-seven counselors and forty-three teen-aged CITs. RBCS staff generally fill most staff positions and Academy students fill most CIT positions. Most campers are not RBCS students. In fact, many of the campers had never been previously exposed to the Gospel or Christian principles for daily living. Camp staffers saw many young lives reached for the Lord.

Activities this summer included the daily trips to area bowling alleys, skating rinks, water slides, and miniature golf courses. Campers also enjoyed lessons in swimming, art, crafts, and gymnastics. Field trips this summer included excursions to Marianna Caverns, The Zoo, Vortex Springs, the USS Alabama, Fort Pickens, Fort Barrancas, the Naval Air Museum, and many more interesting and educational sites. We are continually on the look-out for new activities and ideas suitable for campers, so please feel free to contact Mike Mosley with any suggestions for future summers.

The staff of Summer Day Camp would like to extend their thanks to all the folks who made our activities run smoothly, especially Dairrell

more time in the classrooms assisting teachers as they work with our children. She is well qualified for this position having spent many years in the classroom as well working with management. Mrs. Gilbert has helped Talent Development get off to a good, organized start already this year. Please welcome with me, Mrs. Mary Gilbert, Supervisor of Talent Development.

Willard and Carlos Pineiro for keeping all those buses running, and the Gretes and Clarkes for graciously allowing the use of their swimming pools. Thanks also to all the teachers who suffered our presence in their classrooms.

STAFF IN THE SPOTLIGHT

RBCS is pleased to announce the addition of several new faces to the staff.

Patti Clem

Welcome to Mrs. Patti Clem, our newest English teacher. Despite being born in Bitburg, Germany, Mrs. Clem is no

stranger to RBCS. As an Air Force child, she moved to Florida in 1974, and attended RBCS from 7th through 9th grade.

Mrs. Clem had recently graduated from the University of West Florida with a degree in English. She and her husband, Skip, are the parents of three children: Jennifer 12, Jason 10; and Julie 7. All three children attend school here at RBCS. She enjoys running, reading, and spending quality time with her family.

Since the time her children began coming to RBCS five years ago, she has felt the Lord leading her to minister here in some way. "He enabled me to finish school and opened the doors for me to teach. I am so thankful for RBCS and the impact it has made in the lives of my children."

Mrs. Clem's favorite verse is 1 Corinthians 9:24, "Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize."

David Isaac

I was born in Kona, Kentucky (a wide spot between the mountains). Anita, my wife and life companion, teaches a K5 class here at RBCS. God has blessed us with three children -- all of whom are married. Also, we are blessed with two grandchildren with another on the way.

My educational experience includes the following: meteorology school in the USAF; AS degree in electronics from Pensacola Junior College; BS degree from the University of West Florida with teaching certification in mathematics, physics, and industrial arts, and Master of Theology from Gulf Coast Seminary, Panama City, Florida.

My professional and work experience include the following: twenty-one years serving the Lord in Free Will Baptist Churches as Pastor; four years in meteorology in the USAF; three and one half years with Pan American Airlines on the Atlantic Missile Range--advancing to the position as Supervisor of Meteorology on Grand Bahama Island; four years as an electronic technician with Metric Systems; approximately ten years teaching experience in Christian Schools (grades 6-12) in

mathematics; science, and English grammar; and seven years as administrator of a small Christian school in Marianna, Florida.

One of my favorite Scripture passages is the last part of John 15:5, which says, "For without Me ye can do nothing." My greatest desire is to faithfully serve the Lord Jesus with the gifts, capacities, and calling that He has given as well as the areas of His leading.

Daniel Lowrey

Another career military man has joined the staff. Dan Lowrey has just completed over 20 years service to his country in the USAF, and is now teaching sixth grade.

Dan's interests and hobbies include teaching, preaching, witnessing, and fishing. With his gifts in those areas, it is easy to see why Dan is so comfortable here.

Dan's educational background includes Bachelor's Degrees in Occupational Education and Bible Theology, as well as a Master's Degree in Management / Human Relations from the Phoenix University.

Dan's favorite Scriptures are John 3:16, and Philipians 4:7, "And the peace of God, which transcends

all understanding, will guard your hearts and minds in Christ Jesus."

Dan says that "we are serving the Lord with all our heart at RBCS. While we are in the world but not of the world, it is a joy serving with other Christians."

Alberta Palmer

Say hello to Alberta Palmer, teacher of 5th grade. Mrs. Palmer was born in Pulaski, Tennessee. She comes to RBCS with a wealth of experience, having retired as Master Sergeant in the USAF. Her educational background includes a BA in Psychology from St. Leo College.

Mrs. Palmer and her husband Craig are the parents of three children: Omar (a graduate of RBCS), Natalie and Candace. She enjoys singing and teaching children.

Her ministry at RBCS "is a fulfillment of the call of God upon my life to teach and show forth Him in all subjects. It is a joy and pleasure to know that I am doing what my God wants me to do at the time He has appointed for me."

Mrs. Palmer's favorite Scripture is James 1:22, "Be ye doers of the word and not hearers only."

Thank You For Your Generous Support

RBCS would like to acknowledge the gracious generosity of our voluntary supporters for the past academic year. We are dependent upon such gifts to keep our tuition costs to a minimum, to improve existing facilities, to accommodate growth, and to fund scholarship assistance to students who would otherwise be unable to attend. Through the generous giving of RBCS friends and families \$16,542.55 was given to the Annual Fund, \$1,971.86 was given to the Scholarship Fund, and \$48,440.78 was given to the general fund. In addition, non-cash gifts of equipment and property totaled \$20,107.96. We praise God for the charitable spirit of our donors and pray that God will reward them for their kindness toward us. Ticket information - For each home game, tickets are available at \$2.00 per adult and \$1.00 for students grades 1-6. Season passes are available at \$10 per individual. Please remember that all Academy students have been previously charged a student activity fee, and therefore may attend each game without further charge. The money received at each game is used to purchase and/or maintain equipment for out athletic teams. While we do find it necessary to charge a fee for attendance, this charge is an attractive deal when compared to what secular schools charge at their athletic events. Your participation is encouraged. Come support your children and their school.

ROCKY BAYOU CHRISTIAN ACADEMY CHOIR
1994-1995

Course Objectives: The chief objective of choir is for each member individually, and the group collectively, to bring glory to God through all of our activities (I Cor. 10:31). We will strive for this goal by raising our voices "to the Lord" (Eph. 5:19), and giving the best that we have for Him (Col. 3:23). Our secondary goal is to learn more about music through the art of choral singing, and to be prepared to participate in choirs as a lifetime activity.

Course Requirements: As a student in choir, you are required to:

- *Be in your seat with your music, ready to sing at the start of class.
- *Have a pencil for every rehearsal and use it to mark the music.
- *Use proper posture when singing whether you are sitting or standing.
- *Be attentive at all times whether you are singing or not. Choir is a team activity and students in each section should know how other sections relate to theirs.
- *Always be involved either in singing or listening.
- *Be good stewards of the music used. Books, folders, or music that are lost or damaged beyond reasonable use will need to be replaced by that student.
- *Be attentive and give your best during warm-up and sight-singing exercises. This is an important part of choir - for you to work on your vocal abilities.
- *Each week memorize a Bible verse about music.
- *Memorize the music for all performances, unless otherwise specified.
- *Be good stewards of the chapel building.
- *Attend all performances. Students missing a performance because of an excused absence will be given an alternate assignment to complete. **Unexcused absences from a performance will result in the removal of the student from choir.**
- *Wear concert attire for all performances, unless otherwise stated by the director for a specific performance. Purchase of needed outfits will be the responsibility of each student. A decision will be made by a committee made up of parents, students, and the director to decide specific outfits to be worn.

Unacceptable Behaviors: Students will not:

- *Study for tests, read books, or do homework for other classes during choir. As stated above, you are to either be singing or listening.
- *Talk and/or fool around in choir. This includes before and after rehearsal.
- *Laugh at or be sarcastic toward another student or section when they sing. We are to work together and encourage one another.

Grading:

25% Participation/Effort
25% Attention/Behavior
20% Memorization

20% Homework/Tests/Quizzes
10% Punctuality

Discipline: If a student fails to follow the requirements, the director will remind him/her of the proper behavior. If the behavior continues, a warning will be given. If the student needs to be spoken to again that day, he/she will receive a 2% grade reduction and will be assigned detention with the director. Continued disrespect will result in the student being removed from class for that period. If a student needs to be removed from class a second time, a conference will be scheduled with the parents, and the student will receive a one week suspension from choir. A student that is asked to leave choir a third time for his/her behavior will be removed from choir.

Again, a reminder: If a student skips a performance without an excused absence, he/she will be removed from choir.

Dear Academy Choir Parents,

Attached you will find important information regarding your student's participation in Academy Choir. If you have any questions or comments, please feel free to contact me at 678-7712. Please read, sign, and return the statement below to indicate that I have your support in this matter.

In Christ's service,

Luke Horst
Director of Music

Dear Mr. Horst,

I have read the Academy Choir information regarding objectives, requirements, behavior, grading, and discipline sent home by you, and I am in agreement with your written information. You have my support!

Dear Parents,

First, let me just say a few words about video games (Nintendo, etc.). When you compare the stimulus (bright colors, quick movements, sudden noises, etc.) of these games with, for instance, a Math paper or a Phonics lesson, is it any wonder that I have a hard time capturing and/or holding your children's attention?

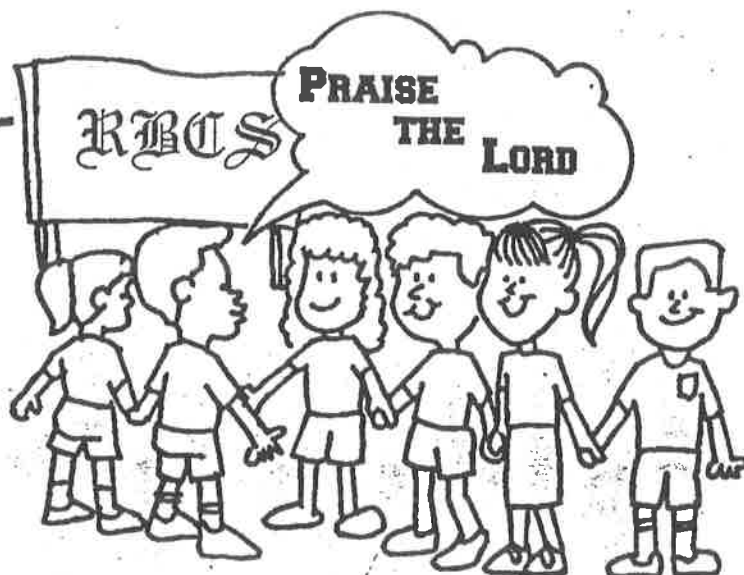

I am not nearly as interesting or exciting as one of those! I just can't compete!

PLEASE limit the time your children play with video games! Reading is so much more beneficial! Remember - brains are like muscles - they need to be exercised! TV doesn't do it, nor do video games!!

Have a great week!

In His Service,

Janet Ferguson

Dear Choir Parents:

Greetings in our Savior's Name!

Please allow me to introduce myself. I am Luke Horst, the Director of Music at Rocky Bayou Christian School. I am excited to be working with your children in the Academy Choir.

I know that many of you have questions about the activities that the choir will be involved in this year and many other things concerning the choir. I would like to meet you personally to address your questions and concerns, so there will be a meeting on Thursday, October 6, at 7:30 PM, in the Grace Presbyterian Church building on the Rocky Bayou Campus.

I look forward to your support as we begin this new year, and hope to see you Thursday night. If it will not be possible for you to attend this meeting, please feel free to call (678-7712; 678-3266) and arrange another time for us to meet.

Dear RBCS Lower Elementary Parents,

I want to say thank you for helping us have such a nice looking student body. About 95% of our parents are doing an outstanding job in following the dress code guidelines. Our students look neat and I believe that has a positive effect on academic areas also. Again, thank you!

In adapting the details of the high school dress code to lower elementary, I believe I have neglected to delete a few details which seem inappropriate to lower elementary children. I apologize for this. Please especially note the changes in wording on this attached, revised dress code: in paragraph 1.a.1. and paragraph 1.b.1. Also, paragraph 4 from the previous dress code has been deleted.

Please understand that we have tried to write a very positive dress code that does not rely simply on "Thou shalt nots." Please send your student in the attire stated in the dress code. Some students are coming dressed in clothing which "skirts the borders." Some children come dressed as if parents do not have a copy of or have not read the dress code.

When a violation of the dress code takes place, most students in a class observe that violation but have no knowledge that parents are being contacted about that violation. So, then the next day we have 3 or 4 of the same dress code violation because the students' reasoning is, "Well, Johnny (or Mary) wore one yesterday."

In the same vein, we have had parents visit the school who are diligent to follow the dress code. But, while on campus they will see a dress code violation and say, "Well, if so and so can wear that item of clothing, then why can't my child?" That parent, of course, would have no knowledge of whether we have dealt with that dress code violation that day or not.

We have chosen certain places to draw a line. It is not a sacred line by any means. It is not that there is always something immodest or immoral about some of these items of clothing, but lines have been drawn in order to maintain a higher standard of dress in our student body.

Please **don't** "skirt the borders." Avoid letting your child wear items that may be considered a T-shirt, that may be considered a sleeveless blouse, or a shirt that obviously does not have a collar. It should be apparent that athletic attire and beach attire are not appropriate for school. **Please**, let everyone see that, without a doubt, your child is "In dress code!"

Katherine M. Grete, Principal
Lower Elementary Department

DRESS STANDARD FOR RBCS LOWER ELEMENTARY STUDENTS
AY 1994-95
REVISED OCTOBER 3, 1994

The *RBCS Guidelines for Student Behavior* details the standards for behavior that RBCS desires students to adhere to as they mature toward the image of Christ. While only regenerate individuals can truly be maturing toward the image of Christ, there must be some external standards of behavior that apply to all students. The *RBCS Guidelines for Student Behavior* gives the philosophy of the dress standards. The purpose of this Dress Standard is to provide specific dress guidelines applicable to students in the Lower Elementary (LE) Department. The following specifics are provided to answer most of the questions on which students have typically sought guidance. Students who cheerfully and submissively groom within the following standard will be promoting the peaceful student environment we all desire at RBCS. Final authority for questions in this area at the Niceville Campus will be Mrs. Grete and at the Ft. Walton Campus Mrs. Kidd.

1. Students must dress modestly (1 Tim 2:9; Gal 5:19), with an appropriate distinction between the boys and the girls. (Deut 22:5; 1 Cor 11:14-16)

a. **Girls 05-6A** will wear dresses, skirts, slacks, jeans, or culottes. **Girls 01-4A** will wear dresses, skirts, slacks, jeans, culottes or knee length shorts.

1. The hemline or any slit shall not come above the knee when the girl is sitting or standing. If culottes are worn, they must look like a skirt, not long shorts. **Girls'** slacks shall be feminine and loose fitting. Color - Conservative solids, plaids, and prints. Style - Dressy stirrup pants, docker style, casual slacks. If slacks, shorts, etc., have belt loops, belts must be worn. If they do not have belt loops, it is not necessary for belts to be worn.
2. Shoulders shall be covered at all times. Open back or low neck blouses or dresses are inappropriate as are sleeveless shirts, sweaters, or dresses. Halter tops, tube tops and any blouse that leaves any part of the midriff bare are also inappropriate.
3. Blouses and/or sweaters: Color - Conservative colors. Note: Shirts of cotton T-shirt material must have collars. Any writing is limited to appropriate personal monogram, your school name or logo. These writings must be limited to the pocket area of the shirt. Oversized and sloppy styles will not be tolerated.

b. **Boys 05-6A** will wear slacks or jeans and shirts with a collar. **Boys 01-4A** will wear slacks, jeans, or knee length shorts and shirts with a collar.

1. **Boys'** slacks, jeans, or shorts must be a solid color such as khaki, black, blue, gray, brown, or conservative plaids. If slacks, jeans or shorts have belt loops, belts must be worn. If slacks, shorts or jeans have no belt loops because the waist is fitted or elastic, belts do not have to be worn. Slacks that are torn, faded, oversized or sloppy will not be tolerated.
2. Shirts: Color - Conservative solids, plaids, and prints. Style - collar type neck with sleeves. Writing on shirts is limited to appropriate personal monograms, your school

name or logo. These writings are limited to the pocket area of the shirt. Shirts must be tucked into slacks.

3. Sweaters are to be worn in good taste. These may be worn as long as a collared shirt is worn underneath. Jackets and coats are to be worn in good taste. Generally these are inappropriate to be worn in the classroom.
 4. **Male** students' hair should be worn in a masculine style, neatly trimmed and tapered, not obscuring the eyebrows or hanging below the collar in the back. It should be worn above the middle of the ear. Extremes in hair styles that call undue attention to the haircut (such as shaving above the ears) will not be tolerated. (I Cor 11:3-16)
2. Student appearance should enhance a Christian's testimony of a life adhering to biblical principles rather than worldly standards generated by anti-biblical philosophies such as those of secularism, humanism, hedonism, and the alcohol/drug abuse/rock culture. (Eph 4:17-19, 5:17-21; Col 2:8, 3:17, 23)
 3. Appropriateness, cleanliness and neatness of appearance is related to health, general social acceptance, good habit building, and the principle of deference (limiting freedom in order not to offend the wishes of those in authority). (Rom 13:1-2; 1 Cor 11:16; Eph 5:21; Col 3:17)
 - a. Specific clothing requirements may be waived or required by the Principal for special occasions such as "Grub Day," "Western Day," or "Dress-up Day."
 - b. School Physical Education (P.E.) shorts and shirt will be required for all 05-6A P.E. classes with any standard gym shoes and white socks. Students not prepared for class will have a reduction in their grade.

Dear RBCS Parents,

Every year around this time, many changes occur. The air becomes more crisp, the tourists go home, the beaches become less crowded, and the humidity begins to drop. While all these things represent goodness, Satan, nevertheless, continues to tempt us with evil. Nothing depicts this more than the pagan celebration of Halloween.

Make no mistake about it, Halloween is Satanic. Paul tells us in Romans 13:12, "Let us cast off the works of darkness, and put on the armor of light." We are all God's children, and when we participate in the Halloween ritual, we are sending a clear message to our children that witchcraft, demonism, Satanism, and the occult is something fun, entertaining and harmless.

Paul exhorts the believers of Thessalonica to "abstain from all appearance of evil." Surely no one can deny that virtually all the symbols of Halloween are evil. WITCHES, MONSTERS, VAMPIRES, GHOULS, GOBLINS, DEVILS and DEMONS all portray evil. Jesus Christ tell us, "You are the light of the World." (Matthew 5:14) How then, can we justify our masquerading as creatures of darkness in the light of the Scriptures? If RBCS is dedicated to God and to the glory of Christ, we cannot justify allowing this vessel to be desecrated with demonic and occult symbols.

Everything about Halloween is wrong and of no redeeming virtue. Even the Jack-o-lantern is an abomination to God, for it is an ancient symbol of a damned soul. Halloween is nothing but a demon inspired, devil glorifying occult festival. Those who truly love the Lord Jesus Christ should have nothing to do with it.

As Halloween approaches, we should continue to exalt the Lord, praising Him and praying for His wisdom and guidance in battling the enemy. Though the battle rages daily, we are assured of final victory. Yet, make no mistake...Satan rests not. While we should not be ignorant of Satan's ability to deceive, remember, as Christians, we have nothing to fear. Jesus tells us in the Gospel of Luke, "Behold I give you power to tread on serpents and scorpions, and over all the powers of the enemy; and nothing shall by any means hurt you." Accordingly, regardless of what the increasingly pagan society around us does, RBCS will not provide any support for Halloween as a holiday (holy-day). On the contrary, we will provide factual information about its history and symbols to those who ask, and our bookstore can provide tracts to those who order them.

May God bless,

Dear Parents of RBCS Varsity Sportsmen,

We are ordering our Letter Jackets from the National Spirit Group. Their representative will be at RBCS on October 12, 1994 at 1:30 PM. Orders for jackets will be taken at that time. You are not required to make a payment at the time of ordering. The bill and your order will be sent to your home. The basic jacket cost varies from \$70.00 to 110.00, accessories are optional and extra cost. RBCS will not purchased the "R" for the student's jacket, this will be an additional cost.

If you would like your student to have a jacket, please sign the form below and have your child present it to the representative at the above time.

In Christ's Service,

Dear Parents of Grade 05 Students,

The attached multiplication table is being sent home with your child to improve his/her speed and accuracy in the multiplication properties. The class goal is 2 1/2 minutes to complete the table with 100% accuracy. Currently, 80% of the class has mastered this @ the 6 minute level. We will work on this type of speed drill in class as often as possible to solidify their skills.

I am asking that each parent that receives one of these tables, please time their child and return the completed form on the next school day.

Thanks for working with me to educate your child!

LIFE CHAIN Code of Conduct

[Christ died publicly for us. Thank you, friend, for your public witness today.]

1. Be humble but be bold as you stand today against the greatest injustice our nation has ever faced.

2. In the spirit of Christian love, commit to be peaceful, prayerful and polite, both in word and deed. Any misconduct from passersby should be met with silence and a kind smile to express your inner peace and forgiveness.

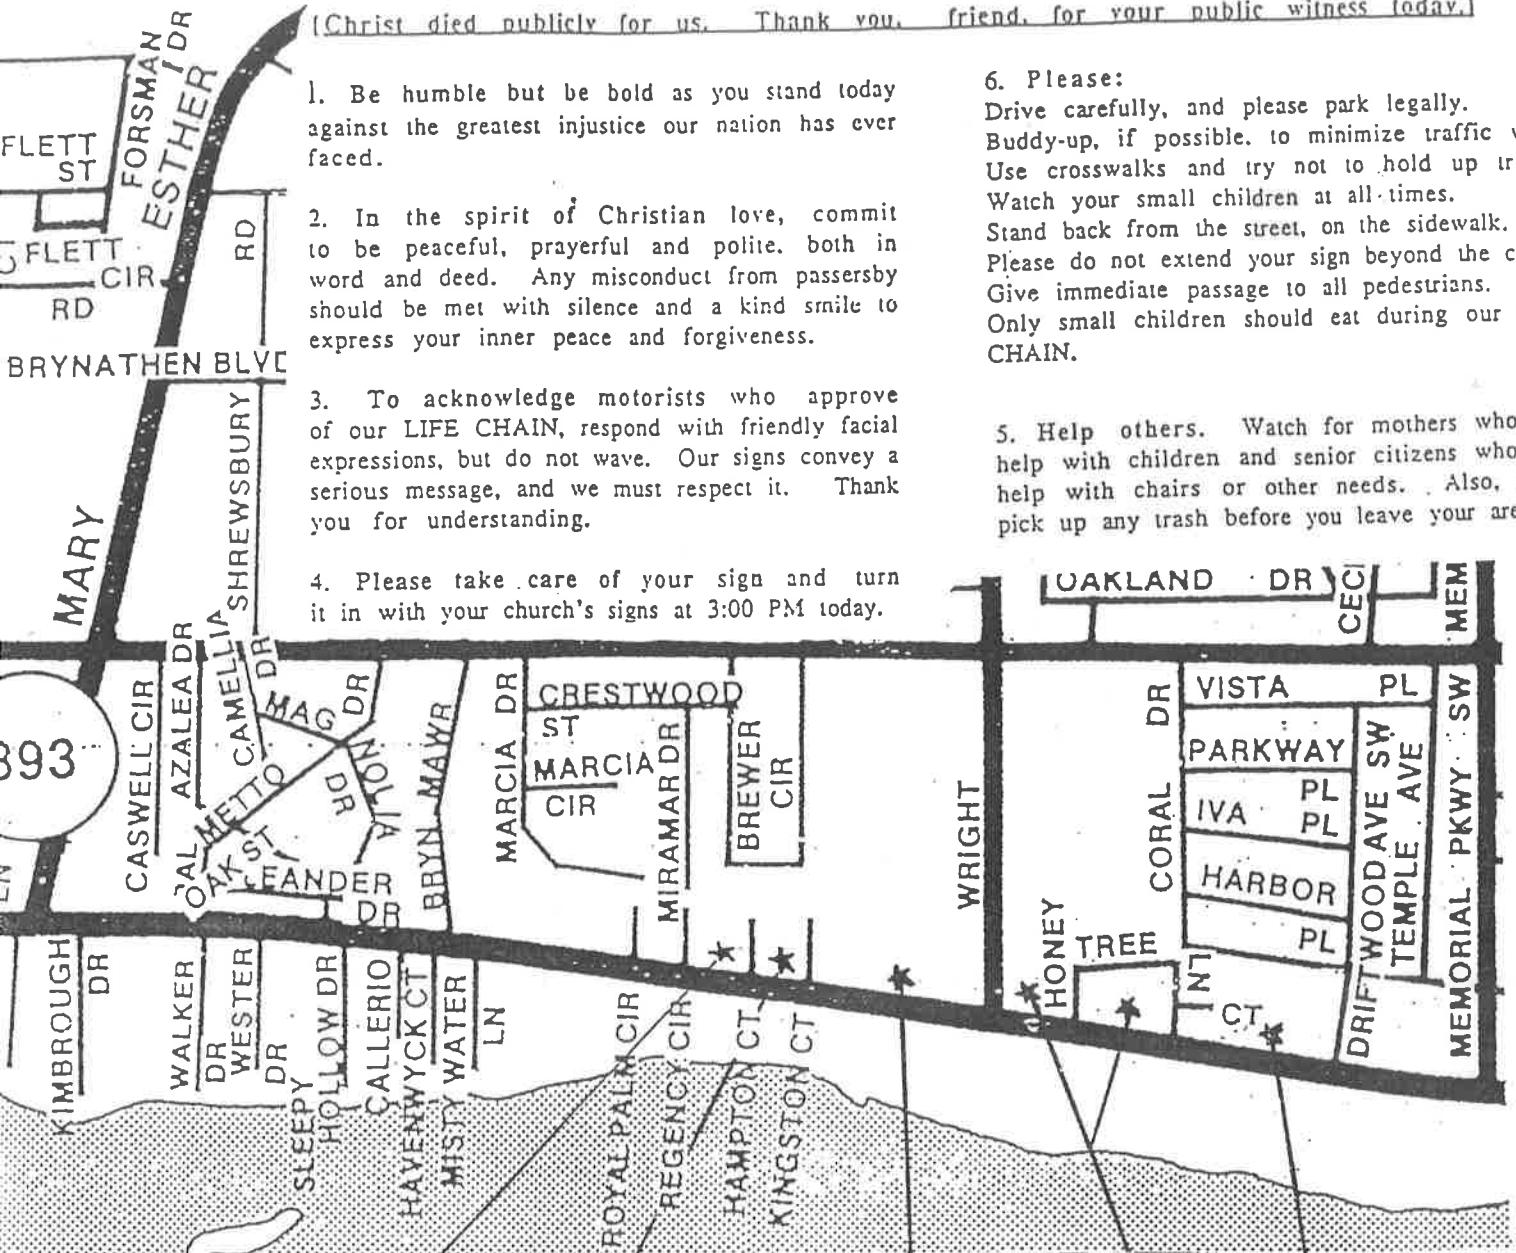

3. To acknowledge motorists who approve of our LIFE CHAIN, respond with friendly facial expressions, but do not wave. Our signs convey a serious message, and we must respect it. Thank you for understanding.

4. Please take care of your sign and turn it in with your church's signs at 3:00 PM today.

6. Please:

Drive carefully, and please park legally. Buddy-up, if possible, to minimize traffic woes. Use crosswalks and try not to hold up traffic. Watch your small children at all times. Stand back from the street, on the sidewalk. Please do not extend your sign beyond the curb. Give immediate passage to all pedestrians. Only small children should eat during our LIFE CHAIN.

5. Help others. Watch for mothers who need help with children and senior citizens who need help with chairs or other needs. Also, please pick up any trash before you leave your area.

Dear Parents,

I would like to clarify a few things regarding the "Book It" program. In order to get a certificate for a FREE PIZZA (!), all your child has to do is read (*out loud*) 10 books of around 10-15 pages each, or larger books with more pages, totalling 100 or so pages. Just keep track of the books read on a piece of paper. Give me the names of the books read and the number of pages. When the required number of pages or books have been read, send the paper in to me! Please encourage your child to read! I can't stress its importance enough!

One more thing I'd like to remind you of - Please remember, that your child needs a snack even if he/she is ordering Teen-Pac! We do get awfully hungry by 12:00! "Thanks!"

Dear Athletic Director,

It has been brought to my attention that our scheduled Softball Tournament for April 27-29, 1995 is in direct conflict with the ACSI Choir competition to be held in Tampa, FL on April 28, 1995. Some schools may be planning to attend that competition. Our school is definitely planning to go to that competition. Our choir director asked me to plead to you to agree to change the dates of our Softball Tournament so that he doesn't lose softball players from his choir. Therefore if you have a problem with any of the following dates, please check them off:

NO PROBLEM

April 20 - 22

May 4 - 6

The dates of the tournament will not be changed unless we have approval from all members schools that plan to play.

We do need to have a response from your school by October 20, 1994. If there is no response from your school we will assume that there will be no problem with changing the dates.

Thank you for your patience.

Friday, October 21, will be a Special Day called "Transportation Day." Since we have been studying "Transportation" this week, we are going to go by bus to the Armament Museum to look at airplanes and to Mrs. Winn's house in Valparaiso to look at boats.

Also, after our "Transportation Tour," we are going to Dairy Queen in Niceville at 11:15 a.m. for lunch. The lunch includes a hamburger, French fries, coke, and ice cream. The cost of the lunch is \$2.25; the tour is \$.25 (donation to Museum); the gas is \$.25. If your child would prefer to bring a sack lunch, please feel free to send one. Please send your money in by Thursday, October 20.

Students not going on the Tour will visit Mrs. Kearney's K4B Class.

Dear K3 and K4A Parents,

Pumpkins, pumpkins everywhere!

We're calling Friday, October 28, "Orange Day." Since Satan's holiday, Halloween, is approaching, children may think of pumpkins as jack-o-lanterns, in occult tradition a symbol for a damned soul. We would like the children to think of pumpkins as a food that God makes grow and gives to us to enjoy.

We are studying the color orange this week, so please have your child bring in a small pumpkin by Wednesday. On Friday, please have your child dress in orange and bring an orange toy for "show and tell". We also will be making pumpkin muffins with orange icing.

In Christ's service,

To: RBCS Parents

Thank you for your patience with us! Once again we have changed our accounts receivable computer system in an effort to make improvements on our ability to report to you in an easily understandable format, and to move toward a pre-billing system.

Enclosed is a statement reflecting all charges and payments we have credited to your account. (Payments include those received by October 21st at the Niceville campus. Payments received after that date will be reflected on your next statement.)

Please review your statement for accuracy, and report any discrepancies between our records and yours to us. Also, regarding late fees, we have exercised grace to this point because we were tardy in generating statements to you. From this point forward, however, a late fee of \$5.00 will be charged consistently on each account not paid by the 5th of the month.

We appreciate so very much your efforts toward paying us promptly. On Friday, November 4th, report cards will be distributed. In accordance with school policy as stated in the RBCS Family Handbook, we will withhold report cards on accounts with outstanding balances. Please help us to avoid this if you have a balance due, by paying the balance in full by Thursday, November 3rd. If you are unable to pay the full balance due at this time, please contact Sylvia Mobley in the Accounting Office (678-7358) to discuss a payment plan.

Thank you for your support of our school. It is our desire to serve you well. God bless you!

Sincerely,

Sylvia Mobley

Dear RBCS Parents and Friends,

We are currently in the process of sprucing up the landscape around our Niceville campus. Thanks to the efforts of our new groundskeeper, Mr. Charles Gregory, it is beginning to look very nice around here. However, we need to give him more to work with as he makes investments in the beauty and safety of the campus. We need some additional shrubs and trees such as, azaleas, camellias, crepe myrtles, small palms, junipers and dogwoods. We also need landscape timbers.

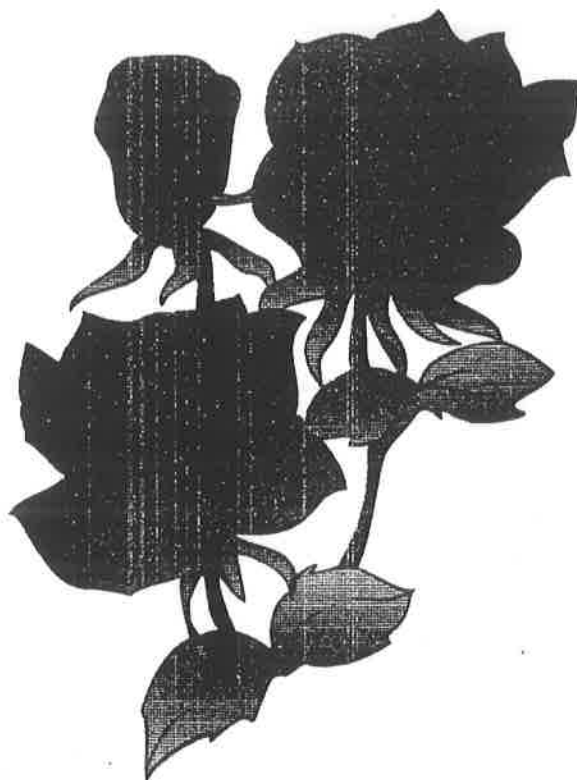

If you would consider donating toward this worthwhile project, we would be happy to accept any mature plants that may have outgrown your yard, or that you might be wanting to replace. Call Steve Mobley at 678-5878 to arrange a convenient time to have someone come out to dig them up and transport them for you.

We would also be pleased to accept cash contributions designated for this project. If each family gave as little as \$5.00, we could make substantial improvements.

Thank you very much,

Dear Basketball Enthusiast,

This year we will be sponsoring basketball teams in the Crestview Recreation Departments Youth Basketball Program. The program has teams for boys and teams for girls. The age divisions are: Training League, ages 7 thru 9; J.V. League ages 10 & 11; and Varsity League ages 12 & 13. This will apply to the player's age on September 1, 1994.

The games will be played at Twin Hills Recreation Center in Crestview. The season is tentatively set to start on December 5, 1994. We expect this league to be more beneficial to us than the Y-League.

The cost will be \$30.00 for Crestview residents and \$35.00 for non-Crestview residents. This cost will include a shirt.

We need to know by November 9, 1994 the number of teams we will have entering the league. Please fill out the attached form and return it to the Athletic Dept. by November 8, 1994. There is no need to turn in money at this time.

Thank you for your response.

Dear Parents of 3A and 04 Students,

Our classes are going on a field trip on October 27. We are going to the Pow Wow Days at Eglin AFB. This is an educational activity to learn about Indian life. There will be demonstrations (dancing, weaving, beading, etc.), story tellers, flute players, and much more.

We will leave the school at 8:40 AM and return no later than 1:30 PM. We recommend your child wear comfortable clothes that are within the RBCS dress code.

There will be a "Native American" lunch available for \$2.00 or your child may bring a sack lunch with a drink. There will also be a .50 charge for transportation on an RBCS bus. Parents are invited to attend. Children who are not participating will remain at school in a study hall.

Please sign and return the permission form below no later than Tuesday, October 25.

Dear Friends of RBCS:

I am seeking individuals who may be willing and able to volunteer their talents to accompany some of the music groups at RBCS.

The most pressing need is for the Academy Choir. The choir is divided into two groups which meet daily from 1:30-3:00. The ideal situation would be to have an accompanist for each rehearsal, but even two or three times a week would be very helpful.

The other need is for the fifth and sixth grades, which meet MWF from 12:00-12:30 (5th) and 1:00-1:30 (6th). An accompanist for these groups would only need to be present when the classes are preparing for a program.

If either of these opportunities are areas in which you may be interested in helping, please contact me at 678-7712, or 678-3266 (evening).

Thank you for your consideration.

Knights advance to conference finale

The Rocky Bayou Christian School Knights advanced to the championship game of the Panhandle Christian Conference with a 2-1 shootout win over Pensacola

East Hill Christian on Thursday in Niceville.

The Knights (8-2-3, 8-1-2 Panhandle Conference) were saved by goalkeeper Travis Kearney, who knocked four of six East Hill (5-3-3 conference) penalty shots away from his goal in the shootout. Jonathan Tidwell and Robbie Ferguson converted on their penalties for Rocky Bayou.

The Knights will face Dothan, Ala., Northside Methodist (7-2-2 conference), a 5-1 winner over Sneads Victory Christian (5-3-3) in the other semifinal game on Thursday, today at 6 p.m. at Twin Oaks Park.

Dear parents of 7-12A Science Students,

We are planning a science field trip to the NASA Space Museum in Huntsville, Al. There will be room for approximately 25 students. Chaperons, including Mr. Allen, Mr. Alldredge, and Mrs. Bellomy, will be in every cabin. We will meet at 7:00 AM at RBCS, pack and leave by 7:30 on Thursday, November 3, 1994.

On Thursday we travel to the Birmingham Zoo before arrival at the beautiful Monte Sano State Park in the mountains. We will return to RBCS on Saturday evening, Nov 5, arriving around 8:00 PM. Your child will need to bring a Bible, shampoo, deodorant, sports balls, board/electronic games and snacks, etc. and enough clothing to get wet at least one time. Dresses are not recommended. Please limit yourself to **two pieces of luggage** (any other luggage will be under your seat or on your lap). Do not bring any type of music or music player! Your child must be academically eligible to make the trip. The last persons signed up in each room may need a sleeping bag. Do not bring a sleeping bag unless told to.

The Cost will be \$50 plus enough money for three meals at a fast food restaurant(\$3-5 each) and 1 meal at a Shoney's type restaurant(\$5-9). This price requires a minimum of fifteen students. The \$50 will cover the costs for NASA Space Center, gas and expenses, Birmingham Zoo, Friday's dinner, and Friday and Saturday's breakfast. This \$50 should be paid as soon as possible. If anyone would like to attend, but is unable to pay the full amount now, you may reserve a space by sending \$10 right away and giving the date by which you will be able to pay the remaining \$40. Your child should bring spending money as desired.

If you are seriously interested, please return the form attached along with the emergency medical treatment form to Mr. Allen. Eligible students will be placed on the trip list by the order in which forms are turned in.

Dear RBCS Grandparents:

This time of year there are many special events going on at Rocky Bayou Christian School. One of these special events is our 5th annual "Grandparents Day." On Tuesday, November 22, RBCS will host a special day to honor the grandparents of our students.

We hope that you will enjoy becoming acquainted with what your grandchildren are doing in school. There will be a short program for you to enjoy and a visit to your grandchild(ren)'s classroom(s). Grandparents should sign in at the RBCS gym between 8:45 and 9:00 AM. At 11:30 AM the children will be hosting a Thanksgiving lunch for our grandparents free of charge.

If you would like to join us, please notify your family member associated with RBCS to make a lunch reservation. All reservations must be received by noon, Friday, November 18.

Please park at Rocky Bayou Baptist Church, just north of the RBCS campus on the back side of their parking lot. Shuttles will be provided to transport you to the RBCS campus and then back to your car after lunch. Shuttle service will begin at 8:30 AM.

This should be a fun time. Please come and join us! If you have any questions, please call me at (904) 678-5878.

Sincerely,

Steve Mobley
Development Director

Point of View

Robert L. (Bob) Grete

What aspirations do you have for your children? We all, I'm sure, want our children to be successful in life. Success, as evaluated by God and by the world, can be quite different. Nevertheless, both perspectives see value in what Christians understand to be Christian character traits - things like honesty, reliability, responsibility, and respect for those in authority. Even Christian families, however, are finding that many obstacles hinder development of godly character in their children. Godless education doesn't help, and part of the motivation you have for choosing RBCS is to get help in developing Christian character and biblical values in your child. Also, today's entertainment media, including movies, music, and TV, mock biblical values. It's hard for children to develop respect for parents who are laughing at sitcom humor based upon disrespect.

Let's focus on the respect issue. We know that respect for authority begins with respect for parental authority. God says: "Children obey your parents in the Lord, for

this is right. HONOR YOUR FATHER AND MOTHER (which is the first commandment with a promise), THAT IT MAY BE WELL WITH YOU, AND THAT YOU MAY LIVE LONG ON THE EARTH." (Eph 6:1-3) Rom 13:1-8 teaches the general application of respect for God-established authority. If children are not trained carefully at home and school, but are allowed to display a disrespectful attitude, we will not be helping them to develop the keys to success.

I think there has been a deterioration of respect in youth that has been getting worse over the past two decades. While several students at RBCS demonstrate excellent training in the home, many do not. I believe we need to make a concerted effort - you in your home and all of us on the RBCS staff - to develop respectful character in our children. Although it is fundamentally a matter of the heart, we must teach the principles of manifesting the heart God wants us to have. Let's all require polite speech from our children, and consistently

correct any display of disrespect. If we can do a good job on this together, it will even make development of other Christian character traits less difficult.

FROM THE PRINCIPAL Don Welton

Thank you for making a lasting impression on my heart as you have willingly supported our new dress standard. I thank our Lord every morning when I come on campus and we greet one another. God does indeed look upon our hearts, but men and women, in our fallen state, still look on the outward appearance. You really look GREAT! I pray that those who reported you "out of dress code"

KINDERGARTEN Wanda Sadler

We have been blessed this year with a new K5A teacher, Mrs. Terry Smith. She is a very creative and enthusiastic teacher. Come by and see her interesting classroom. Also, we have three new teacher's assistants, Laura Heyman, K3, Laura Wooten, K4A, Shari Clegg, K4B and Wendy Green, K5B. We in Kindergarten appreciate the servant hearts of these ladies. It sure

last year, will be just as diligent in complimenting you on your "new look" this year.

An industrious group of young men in our Jr. High has worked outside during P. E. time cleaning up the grounds around the trailers. Thanks Wesley, Archer, Nathanael, Matt and Chris.

Grades will be out by the time this is published. I trust that each of you parents will assist us with encouragement and correction, in helping your students who are still struggling. For those of you who are doing well, remember God is the source of our wisdom, so be faithful to give thanks to Him.

makes our job a lot easier.

Have you seen our newly painted building? The Kindergarten ladies got together and totally remodeled their classrooms. It has given Kindergarten a fresh new look.

Mrs. Winn wanted everyone to know she has a different menagerie of creatures in her classroom this year. She has acquired a new Rocky II squirrel, a ferret, hamster, iguana, ant farm and various fish and frogs. So come on by and observe firsthand what's going on in "God's Wild Kingdom."

Don't forget about our annual Thanksgiving Program, November 17th. The children are working very hard on the speaking and singing parts. We consider these programs to be very important in the development of their God-given talents. I promise you will be both blessed and entertained.

MUSIC NOTES Luke Horst

Though it is still early in the school year, the Music Department is very busy with program preparation and activities. Mrs. Simpson is preparing the K3-K5 classes for their annual Thanksgiving program to be held November 17th. The other elementary classes are also hard at work not only learning musical facts, but practicing for the Christmas Program December 9th. The program will be divided into two sections this year with a 1st-4th choir, and a 5th-6th choir.

Academy Choir students are also very busy rehearsing for their Christmas Concert on December 1st. They will be performing the Cantata "The Sounds of His Love" by Don Marsh.

Fundraisers are also keeping the Academy Choir busy. There was a car wash October 22nd, at the Marina Bay Resort, and the students are selling Christmas wreaths and swags through November 3rd, to raise money for their Spring trip.

In addition to these activities, we are working on starting a Gentlemen's Barbershop Chorus, which will rehearse each Wednesday after school. Students had the opportunity to hear the sound of a Barbershop Quartet, and some of the main concepts involved in Barbershop singing in Chapel.

In the midst of all this, I am still working at getting acclimated to RBCS and the state of Florida. I trust as the year goes on, I can become more and more effective in directing the Music Program towards excellence in a manner glorifying to our Lord.

GRADUATE NEWS

Mark Welton

In June 6, 1984, Rocky Bayou Christian School graduated six students, five girls and one boy. At the same time it lost the one and only RBCS pizza operation ever run at the school. Mark Welton came to the school in the middle of his eight grade year full of enthusiasm. He went on to be the first Junior to be elected President of the student council and go on to serve for his senior year too. Mark started a pizza business in his sophomore year. He ran this

business for three years, selling to student and teachers alike (Now you know where Mr. Mosley got his belly.) Mark then went on to Bob Jones University, and again worked with pizza to help put himself through college. He also began "Mark's Simple Sod" in the summer, to supplement the costs of college.

Mark is the son of Don and Anne Welton, and is now married and living in Baker, Florida next door to his parents. Mark completed college in 1988, and returned to this area to work. In the fall of 1990, Mark went to Regent University School of Law, in Virginia Beach, VA. The day after graduation he married Molly

Smartt Welton. In 1994 he became a licensed Florida Attorney and began practicing with the firm of Powell, Powell & Powell. Mark has been in Christian education since the eighth grade. He received a B.S. from a Christian college and then his J.D. from a Christian law school. As of December 1, 1994, Mark will be opening his own law practice in Baker, Florida. He will be doing a general practice and welcomes anyone to call. He is excited about serving the Lord in the local area and helping change the image of Attorney by being a Christian first. He can be reached at P.O. Box 302 Baker FL 32531, (904) 537-5145.

CHRIST CENTERED PUBLICATIONS RELOCATED

Art Cox

In October, a big change took place that you may or may not have been seen. Ed and Doreen Claggett and all the Christ Centered Curriculum (which was written for and is used by the kindergarten departments at Rocky Bayou) have relocated to Oklahoma, where, until they establish an office/warehouse, they will be

managing the operation from their home. Since my wife Mary (Talent Development) and I have been working very close to the Claggetts, we have had plenty of practice in answering the big question, "Why?"

Doreen has been writing the curriculum for many years. Christ Centered Publications has made the programs available to the public, and homeschoolers from all over are very excited about it. Doreen feels that the time has come to go out and show moms how to use the

curriculum. Their new location, Locust Grove (named after the tree, not the plague), is accessible to many more areas that have already expressed much interest in having her come out and conduct seminars and workshops. They will be missed, but we are all

sure that this is what God's will is. Mary and I have really enjoyed the opportunity to work with the curriculum and hear the countless praises from mothers that are using the programs for their children. We got to talk to parent after parent that earnestly wanted their children's education to be centered on Christ, and we were thrilled to be involved.

The relocation of the CCP curriculum division is being followed by the relocation of CCP Printshop. We are moving to a business area in Valparaiso under the new ownership of a local Christian printer named Phil Pink. We will all miss the campus, but it is for the best. I told Mr. Welton we would come by on occasion and sprinkle some shreds of paper in the hall as a reminder of what once was.

STUDENT TESTIMONIES

Diana Johnson

I have attended Rocky Bayou Christian School for eight years now. My Christian education has definitely made a difference in my life. God has blessed me greatly through this school, its teachers, and the students. I realized this the year I was home-schooled exactly how special Rocky Bayou is. Although I was still receiving a quality Christian education, the video school in no way compared to RBCS. I missed everything about RBCS, but I especially missed the teachers and the interaction with the students. My eyes were opened to see exactly how rare the teachers at RBCS are.

One of the teachers that I missed almost immediately was Mr. Mosley. Mr. Mosley is the main math teacher for the Academy at Rocky Bayou. I took geometry last year, and I

hated it. I doubt that I would have liked geometry, even if Mr. Mosley were teaching it, but Mr. Mosley does have a knack for making even the worst thing a little less tedious. Mr. Mosley really has blessed me a lot, even though most people would find it hard to believe that he could do anything positive or helpful. Through his teaching, Mr. Mosley has shown me that I can enjoy the challenge of algebra, and maybe even pre-calculus.

I knew before I left that I would probably miss my friends and classmates at RBCS, but I found myself missing them in a way that I had not expected. Working by myself, I realized that I had a harder time motivating myself to do my work. It finally dawned on me that while I was at RBCS, I was mentally competing with the other students in my class. When I returned to RBCS last year, I was really blessed when my classmates seemed glad to have me back.

Although I missed everyone at Rocky Bayou, I really missed my best friend Leah Allen. I have known Leah since she first started coming to RBCS when I was in the

fourth grade. Leah and I became best friends in the fifth grade, and have been so ever since. Of course we have our spats, and there are times when we can hardly stand the sight of one another, but in reality, there is a bond of time and affection between us that will not easily be broken. God has really blessed me through our friendship. There have been times when I have been down-in-the-dumps and ready to give up, but Leah has always come through and insisted that I keep going. I have no doubt that our friendship will far outlast our high school days.

I often forget to thank the Lord for Rocky Bayou, but in my heart I am very grateful. My mom has sacrificed a lot over the years to make sure that I receive the best education that she can provide. I know that I would not be the same if it were not for RBCS. I pray that when it comes time for my to send my children to school, if they cannot come to RBCS, they will be able to attend a school like it.

Leslie Richardson

God has used RBCS to bless my life. Although I have only been here for a little over a year, He has worked wonders in my life. My life and my attitude towards life have changed greatly since I first came here.

God has used other people around me in my school to encourage me with my relationship with Him and other people. This school has benefited me a great deal, and I thank the Lord for sending my family down here.

In my old school, a personal relationship with the Lord was not stressed as much as it is at Rocky Bayou. My teachers never encouraged me to have a relationship with God, but here, it is different. All my teachers and even some parents tell me how important it is to have a personal walk with God. I am thankful for the people in Rocky Bayou because they have made me realize how important a personal walk with God really is. Every day, I grow closer to Him. I am able to love everyone which is a struggle for me, but with God on

my side, He has enabled me to love everyone. I am not hesitant about going to God with any of my problems anymore because I know He is there and He is going to answer my prayers. Although I may not like His answer, I have learned to accept it and know that it is the best for me.

I have many friends at Rocky Bayou. I had friends at my other school, too, but not like the ones I have here. My friends here encourage me to have a personal relationship with the Lord. They help me with my problems by praying with me and for me. Having good, Christian friends to fellowship with has also strengthened me by keeping me out of trouble. I do not fall into too much trouble, but I do look for it. Having this personal relationship with the Lord has helped me learn to keep my temper and not to start fights. The Christian fellowship here is so much greater than at my old school. At my old school, we did not talk about the Bible very much. Here, the Bible is one of our main topics of conversation, and I like that.

My teachers are wonderful here. They are willing to help me with any problem I may have at any time. Because of my willingness to serve the Lord, He has enabled me to respect my teachers which is also something I have

struggled with. Miss Eaves has greatly influenced my life, by having devotions before every game and practice. It is we girls who do the devotions, and I must say that Tiffany Hamilton has also influenced my life by joyfully and willingly giving us devotions. It is because of these two women and their emphasis on the Bible that I have grown closer to the Lord.

I thank the Lord that I have parents who are willing to send me to Rocky Bayou. I am also thankful for the opportunity to attend a Christian school because without it, I would definitely be a very rebellious girl. You see, I am very easily influenced by my peers. I have been working on that area of my life for a long time, but I know that with the power of God, I can overcome any obstacle set in my life.

I know that through all my struggles, I will come out the winner because I have the most powerful thing on my side—the power of the Lord Jesus Christ. I am thankful that I live in a country where I can worship Him freely. I am thankful that I am able to go to a school where I can worship Him freely with my friends and teachers. I just wish that everyone could see how wonderful it is to be able to have a personal relationship with God.

SOCCER

Rocky Bayou Christian School's soccer team fell Friday, October 23 in the Championship game of the Panhandle Christian Conference 3-1 to Northside Methodist of Dothan, AL.

Jonathan Tidwell scored Rocky Bayou's lone goal. Rocky Bayou finished the season with an 8-2-2 conference mark, 8-4-3 overall.

The Knights had advanced to the

championship game with a 2-1 shootout win over Pensacola East Hill Christian. Jonathan Tidwell and Robbie Ferguson converted on their penalty shots for RBCS while goal keeper Travis Kearney stopped four of six East Hill penalty shots from the RBCS goal.

Making the all-conference first team from RBCS were (back row, l-r) Jonathan Tidwell, Robbie Ferguson and Travis Kearney. Making the second team were

(middle row, l-r) James Dean, Ben Larremore, Karla Pineiro and Micah Kelscheuer. Roger Kostelny (front) was an honorable mention.

REFUNDABLES

Mary Williams

Let's add some more items to the "Good junk list."

"R" or "L" Pop-out buttons on **LYSOL** or **RESOLVE** sprays

Bottle caps on **LYSOL** Pine Action, Disinfectants, and Cleaners, Strap from Canisters of **CHUBS** and **DIAPARENE** Pop Ups, empty tubes of **DIAPARENE** Creams, lid seals of **DIAPARENE** baby powder, and lid seals of **LOVE MY CARPET**.

These should be sent to school in an envelope or a baggie with your student's name on the outside.

Campbell's is putting a 10-label bonus beside the UPC bar code for these items.

Look for them on these products: Campbell's has changed the package design on the Swanson Frozen Foods. Please send in the whole box.

Have you tried Campbell's new **SIMMER CHEF**? This is a new line of 8 convenient cooking sauces that turn poultry or meat into a hot, home-cooked meal in just 3 steps:

brown the meat, add and simmer the sauce and serve with rice or pasta.

Ummmmmm Gooood!

Don't forget to save the UPC Bar Codes on all **KODAK** film, batteries, cameras, and video tapes. We have 91 Bar Codes already!

If you have an hour to spare, we can use help rolling the **DELCHAMP**'s cash register receipts. Come down to the Athletic Office and see Edith Mathis or Mary Williams.

Thanks for your help in enriching your student's educational program. Without you it won't get done!

GRANT PARTICIPATION

Ed Gilbert

"For the Lord gives wisdom...from his mouth come knowledge and understanding."
Prov 2:6

RBCS will once again be participating in AmSouth Bancorporation's grant awards program. AmSouth plans to award \$800,000 to educators who desire to improve through innovative programs or initiatives that directly benefit students.

Applications will be judged by a professional consulting firm and a panel of AmSouth officers. Criteria for winning entrees include: 1) the degree of potential benefits to students; 2) the degree to which the program addresses a critical educational need; 3) the likelihood the program will achieve its stated objectives; and 4) the degree to which the program promotes collaboration among educators, parents and the community.

RBCS will be notified in May of 1995 if we have been awarded any grant money.

STAFF IN THE SPOTLIGHT

Evon Lowery

What is the perfect way to spend one's retirement years? By serving the Lord on the staff at

Rocky Bayou Christian School and that is just what Mr. & Mrs.

Lowery, two of our newcomers are doing. Mr. & Mrs. Lowery were seeking to work for a Christian organization when Mrs. Lowery's sister, a resident of Crestview, told them about RBCS. At the time, the Lowerys were living in Ocean Springs, Mississippi, while Mr. Lowery was in the military at Keesler Air Force Base.

When the Lowery's first visited RBCS in February, they felt that this was the place God had called them to serve. Although the Lowery's moved to Crestview in June, Mr. Lowery would not be officially retired until August 1.

Since Mrs. Lowery was a military kid, she has lived all over the U.S. and has spent two years in Cuba and three years in England. With experience as an assistant manager at a service station, a secretary to the fitness manager at Keesler Air Force Base in Mississippi, and a church secretary for three years, Mrs. Lowery has been well prepared for her work here at Rocky Bayou. She is presently working in the front office in an administrative capacity. Mrs. Lowery especially enjoys the Christian attitudes of her co-workers.

When Mrs. Lowery is not busy in one of the RBCS offices, she spends time with her family. With three children — Angela age 19, Andrea 16, and Daniel age 10 —

and the "normal wifely duties," Mrs. Lowery has little time left for reading, but she still calls herself a book-worm.

Someday

*Someday in a better place and a better time,
Where you won't have to hurry and I'll have
more time.*

*There'll be no more worries and no more pain,
Where we will have so much to gain,
In this perfect place there'll be so much grace,
All we'll have to do is look on our Saviour's face.*

*He planned before the world began
To come and die so we might live again.
The choice is ours in this age of grace,
But it won't be long before all see Him face to face.*

*He left once to go and prepare us a place,
And He'll come for all who have faith in his grace.*

*We'll be taken to a place where time never ends,
Where we can sit and talk where the river bends,
This place with no gossip, no jealousy, or sin,
In this place where our Saviour's love never ends.*

*We'll continue to work and watch to the east
While all around us are marks of the beast.*

*As we continue to wait for the sign of the Dove
We'll use John 3:26 to tell the kids of our Saviour's love.*

*Soon He'll tire of the babies dying
And He'll come again as a Lion.
When heaven and earth flee from His face
We'll no longer be in this sinned filled place.*

*Then, someday will be here, for our better time and
place.*

Luke Horst

I was born at a young age in Gloversville, New York, in the foothills of the Adirondack Mountains (nowhere near New York City!!). My wife, Jennifer, was born in the same hospital, although we did not meet until after I graduated from college. Three years ago, the Lord added a daughter, Charity Rose, to our family, and she has been a tremendous blessing.

I attended The King's College in Briarcliff Manor, NY from 1983-1987 where I was a Music Education major with an emphasis in piano. I also minored in Bible Literature. In May of 1994, I received my Master of Music degree in Choral Conducting from Binghamton State University in New York.

My teaching career began with three years of full-time substitute teaching in Upstate New York. I have spent the last four years as the Director of Vocal Music in schools in Central New York. I resigned my position in June of this year sensing that the Lord wanted me out of the public school system, and He has lead our family to RBCS.

Other opportunities for ministries that the Lord has given include work in churches as a worship leader, choir director, youth leader, custodian, VBS teacher, and AWANA leader. I also have been privileged to travel with choirs and ensembles throughout the Eastern U.S., and in England and Wales.

My hobbies include hunting,

fishing, athletics, reading, and woodworking.

I am excited about the opportunity to minister at RBCS and teach Music to the students. I thank the Lord for His leading and desire to "praise the Lord according to His righteousness, and sing praise to the name of the Lord most high." (Psalm 7:17)

Tami Boswell

Meet Tami Boswell. Tami's arrival has completed the 5th grade teaching team.

Mrs. Boswell, originally from Colorado Springs, CO, comes to RBCS with a BBA in Marketing from Georgia Southern University. She is currently pursuing an Elementary Education Teaching Certificate. Her professional background includes: computer sales and training as an IBM Business Partner in the K-12 educational market; and time spent as a PC Analyst at Southeast Georgia Regional Medical Center in Brunswick, GA.

Mrs. Boswell and her husband, Bill, were married on April 3, 1993 and have not as yet started a family. Her interests outside the classroom include sewing, quilting, crafts and growing flowers.

The entire 13th Chapter of 1st Corinthians is Mrs. Boswell's favorite Scripture. She says, "I feel that my Spiritual gift is teaching. RBCS has provided me with opportunities to be a Christian example while working with the students and staff."

Teresa Small

I was born in St. Petersburg, FL on September 19, 1963.

I attended Twentieth Century Business College following my graduation from high school in 1981. My certificate is in the Legal Secretarial curriculum. Following my completion at Twentieth Century, I was employed by a law firm for two years. I then went to work at Marriott's Grand Hotel where I was employed for 8 1/2 years.

My husband Bill, recently accepted a job in the Destin area which led us to seek God's will in providing our three-year old son, Will, a Christian education. Thus, Rocky Bayou entered the picture.

I enjoy children, music and an active role in our church. My husband is Director of Youth Ministries at Destin United Methodist Church and so I get many opportunities to assist in Youth activities.

I am currently in Administration at Rocky Bayou Christian's Fort Walton Campus.

My favorite Scripture verse is Hebrews 11:1, "Now faith is the substance of things hoped for, the evidence of things not seen," - for it is through faith that we please God. Faith is the confident assurance that God answers all prayers.

I thank God for leading me to Rocky Bayou Christian where I can be an active part of my child's educational process while using my administrative skills.

Our forefathers, the Pilgrims loved God very much. They studied His Word and prayed every day so that they would know His will for their lives. When God told them to come to America in 1620 they packed their belongings and off they went.

Speaker #2 Lauren

Life on board the Mayflower was very hard. Even the ships crew laughed and made fun of them for their beliefs. Nevertheless, they counted it all joy to be made fun of for "His" sake.

Speaker #3 Brandon B.

Many of the pilgrims did not survive their first winter in the new land. Things looked bad in the natural but God, as always, had a plan.

Speaker #4 Alex

In the spring of 1621, God sent a friendly Indian named Squanto to teach the Pilgrims about farming, hunting, fishing and herbs and spices of the new land.

Speaker #5 Benjamin

The Pilgrims in return shared the only thing they had with Squanto and his Indian friends - Jesus! So you see, folks, God's purpose was fulfilled: The Pilgrims kept their "divine" appointment!

Speaker #6 Andrea

In October, 1621 the Pilgrims set aside a special time to give thanks to God for His many blessings. This was the first Thanksgiving Day.

Speaker #7 Kris C.

Tonight we'd like to take this time to share the Word with you, and at the same time, offer a sacrifice of praise and thanksgiving to God for the great things He has done! Let faith arise in your hearts as we proclaim the goodness of the Lord in song.

Speaker #8 Matthew L.

Psalm 7:17

"I will praise the Lord according to his righteousness: and will sing praise to the name of the Lord most high."

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Dear RBCS Campus Parents,

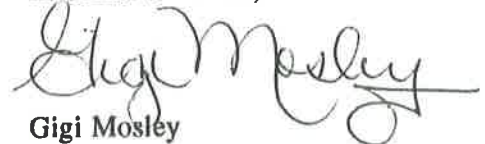

Below are some very important items of interest.

FWB Campus Thanksgiving Program. The FWB Campus Thanksgiving Program will be this Thursday, November 10 at 6:30 PM. Please have your child(ren) at the FWB Campus no later than 6:15 PM. All children with speaking or solo parts must report by 6:00 PM. Soloists and speakers will meet in the fellowship hall of the church. All other students will report to their normal classrooms. Dress should be church attire. (Girls' attire should be dress or skirt and blouse, no shorts or slacks. Boys' attire should be dress shirt, tie and slacks, no T-shirts, shorts or jeans. This year's program promises to be a tremendous night of praise honoring our Lord for all He's done for us.

Thanksgiving Fellowship. If you are like me, many of you enjoy "full" Christian fellowship and therefore would like to complete the evening "filled" at a local eating establishment. This year we can all fellowship together! After our Thanksgiving Program on November 10, we have reserved a room for our group at Coach-N-Four. We hope you will take advantage of this opportunity to fellowship and get acquainted with other parents and teachers. Arrangements have been made for special discounts on meals and coffee and desserts. In an effort to simplify things for the restaurant staff we ask that you RSVP by the morning of Thursday, November 10th using the form below. We hope many of you can join us for a wonderful time of fellowship and great food.

Veterans' Day. Veterans' Day is November 11. There will be no school on that day.

In Christ's service,

Gigi Mosley

Dear RBCS,

Dear Parents of RBCS Third Graders,

On Wednesday, November 23, our class will have a Thanksgiving Feast. Each child should be prepared to share one thing that he is thankful for.

For this to be a success, I need you to volunteer food, money, and/or time. Our menu consists of turkey, green beans, corn-on-the cob (little ones), and apple juice. We will also need paper plates, napkins, and plastic utensils. If for some reason your child cannot participate or is unable to provide any items, please let me know by returning the form below by Friday, November 18.

Your child will not need a lunch that day.

In Christ's service,

Mrs. Brown

Dear Athletic Director,

Recently your school was asked to change the Softball Tournament date if possible.

In reply from all the Conference Schools the out come was not unanimous. Therefore, the Softball Tournament date April 27-29, 1995 will remain.

Thank you for your cooperation.

Greetings Kindergarten Parents!

Just a few items of interest concerning our Thanksgiving Program.

THANKSGIVING PROGRAM - Thursday, November 17, 6:30 P.M.: The Kindergarten staff invites you to worship and praise God with us in our Kindergarten Thanksgiving Program. All classes, 3s-5s, will participate. Sunday school clothing is appropriate. Please keep in mind the children will be sitting on the platform floor at times during the program and also will be moving around a lot. Clothes should not make movement cumbersome. The program will be held at Valparaiso Assembly of God located on Hwy. 190, Valparaiso, FL.

Please insure that your child arrives at the church between 6:00 and 6:15 PM. There will be a staff member at the door to direct your child to the proper room. Visitors, family and friends are cordially invited to join us. However, please remember the law of love and take your "little" visitors out if they get "fussy" during the program.

Because your children have worked so hard on the program, we would like to provide them with a special treat. On Thursday, November 17, at lunchtime, we would like to have a Thanksgiving Feast. If you would like to contribute any of the items listed below for the feast, please return the form by Wednesday, November 16. Thank you for your help.

In His service

Dear K5A Parents,

I am planning a Thanksgiving Feast for Mrs. Isaac's class. We will have the feast on Wednesday, November 23, at 9:30 AM.

I need your help. If you are willing to help provide food for the feast, please check one item below. Please send the quantity requested on Wednesday morning by 8:45 AM so I can have everything ready to serve at 9:30. All food should be ready to serve and not require any additional preparation, please.

Your child may dress as an Indian or Pilgrim for the feast if he/she would like to do so. Thanks for your help and please come join us!

In Christ's great love,

ATTENTION: ACADEMY STUDENTS

It is time once more for our annual bonfire at the Welton's farm. This has been considered a high point each year, and we hope that you will enjoy it just as much as you have in years past. Because we have so many students in the academy, the bonfire will take place two different nights. The bonfires **Friday night, Nov 11, will be for anyone in grades 07 through 8A.** Bus transportation will be provided out to and back from the Welton's farm. The bus will be leaving from RBCS at 5:00 Friday afternoon, and should arrive back around 10:30 that night. **The Saturday bonfire is for those in grades 09 through 12A. The bus will leave RBCS at 5:00 PM and should return by 11:30 PM.**

Activities at the bonfires will include basketball and volleyball, a hayride, a cookout, and s'more making. All food and drinks will be provided, so dress **WARMLY** and just bring yourself. If you want to attend, please fill out the attached form and turn it in with \$5.00 by Wednesday, Nov 9. Give it to Jonathan Blackburn at school. Only those who have turned in their money and their permission slip will be allowed to attend.

For those who wish to drive to the bonfire on their own, directions to the Welton's farm are on the back of this letter. We hope to see you there!

Because He lives,

Leslie Richardson
Student Council President

■ **Rocky Bayou Christian School 41, East Hill 39:** Heidi Mallory scored 13 points and Leslie Richardson 12 to lead Rocky Bayou in the season-opening win. Christy Smith added 15 rebounds.

■ **Pensacola East Hill Christian 60, Rocky Bayou Christian 45:** "We let 'em out-score us 20-3 in the second quarter," said Knights coach Paul Struwe, who saw his team drop their season opener on the road.

Travis Kearney scored 24 and Danny Adkins 10 for the Knights in this Panhandle Christian Conference interdivisional game.

In the junior varsity contest, East Hill beat Rocky Bayou (1-1) 34-29.

■ **Havanna Gadsden 36, Rocky Bayou Christian School 32:** At Niceville, Leslie Richardson scored 11 points in a losing effort for the Lady Crusaders (2-1).

Ben Larremore, Travis Kearney and Robbie Ferguson scored 14, 13 and 11 points, respectively, for Rocky Bayou (1-1).

In the junior varsity contest, Rocky Bayou (1-1) rolled to a 53-22 victory.

■ **Rocky Bayou 70, Victory Christian 30:** Ben Larremore scored 24 points, hitting 10 of 12 shots from the field and four of four from the free throw line, and grabbed eight steals as the Knights (3-1, 1-0 Panhandle Christian Conference) won their first district game.

Travis Kearney scored 12 points and Danny Adkins had 11 points and 11 rebounds. John Tidwell offered five assists.

"This is probably the best first half I've seen our teams play in a long time," said Rocky Bayou coach Paul Struwe. The Knights held a 45-20 lead before the break.

Larremore had six steals and 12 points in the first quarter alone.

Victory Christian fell to 5-3, 2-2 in district.

The Rocky Bayou JV (3-1, 1-0) beat Victory 38-26.

■ **Rocky Bayou 38, Victory Christian 23:** Leslie Richardson scored 15 points and Lori Bilby had five assists and five steals to lead the Lady Knights (3-1, 2-1 Panhandle Christian Conference).

■ **Rocky Bayou Christian School 66, Mobile Independent Methodist 61:** At the IMS Crusader Classic in Mobile, Ala., Danny Adkins scored 22 points to lead Rocky Bayou into today's championship game.

Travis Kearney chipped in 18 points and Ben Larremore added 15 for Rocky Bayou (4-1), which hit 5 of 6 free throws down the stretch to secure the win.

Rocky Bayou meets the winner of the Mobile (Ala.) Faith Academy-Birmingham (Ala.) Jefferson Academy game in the championship game at 5 p.m.

In JV action, Rocky Bayou (4-1) downed Independent Methodist 39-33.

■ **Rocky Bayou 65, Milton West Florida Baptist 56:** Rocky Bayou (2-1) hit 11 of 14 free throws in final quarter to seal the non-district victory. The Knights were 17 of 21 from the line.

Danny Adkins led Rocky Bayou with 22 points and Travis Kearney, who hit six of seven free throws in the fourth quarter and eight of nine in the game, scored 18.

The Rocky Bayou JVs (2-1) scored a 36-35 victory over West Florida Baptist.

Rocky Bayou 48, Dothan, Ala., Northside 35: Leslie Richardson led the Lady Knights with 13 points. Christy Smith added 13 points, Heide Mallory 10 and Laurie Bilby 10 steals.

Rocky Bayou Christian 58, Northside Christian 32: At Dothan, Ala., Rocky Bayou led 13-3 after the first quarter and built on the lead throughout the game as Travis Kearney scored 16 points and Danny Adkins 10.

In the JV game, Northside beat Rocky Bayou 40-36.

Rocky Bayou Christian School 68, Panama City Fellowship 53: At Panama City, the Crusaders (6-1) outscored their hosts 20-4 in the second quarter to open up a 37-16 half-

time lead, then coasted to victory.

Danny Adkins led Rocky Bayou with 23 points, followed by Travis Kearney with 13 and Robbie Ferguson with 10. Byron Rosier had 18 for Fellowship.

Rocky Bayou Christian School 59, Panama City Christian 29: At Niceville, Rocky Bayou (4-2) was led by Heidi Mallory's 22 points and 20 points from Leslie Richardson.

Rocky Bayou Christian School 48, Panama City Christian 43: At Niceville, Rocky Bayou improved to 6-1 behind the double-figure scoring of Danny Atkins (14), Travis Kearney (11) and Robbie Ferguson (10).

The Rocky Bayou JV (4-2) also won, 46-23.

Rocky Bayou Christian School 52, Fort Walton Christian School 37: At Niceville, Robbie Ferguson scored 15 points and Ben Larremore added 11 in the Knights' win.

John Tidwell converted five of six free-throw attempts to keep the Knights (7-1) maintain the lead late.

John Wilson scored 17 points for Fort Walton.

Rocky Bayou Christian School 38, Fort Walton Christian School 10: At Niceville, Heidi Mallory scored 10 points and Leslie Richardson had eight rebounds for the Lady Knights.

Rocky Bayou 42, Fort Walton 33: At Fort Walton Christian School, Rocky Bayou Christian School improved to 8-1 behind the play of Travis Kearney and Robbie Ferguson.

Kearney scored 13 points and grabbed 12 rebounds, while Ferguson had 15 rebounds.

John Wilson led Fort Walton with 12 points.

Rocky Bayou 36, Fort Walton 10: At Fort Walton Christian School, Heidi Mallory led Rocky Bayou with eight points.

Rocky Bayou 63, Victory 49: At Rocky Bayou Christian School, Travis Kearney scored 23 points and grabbed 11 rebounds to pace the Knights (8-0 Panhandle Christian Conference, 10-1 overall).

Danny Atkins contributed 16 points and 15 rebounds, while Jacob Galloway scored 10 points.

Rocky Bayou 38, Victory 15: At Rocky Bayou Christian School, Leslie Richardson led the Lady Knights (8-2 overall, 6-0 in Panhandle Christian Conference) with seven points.

Rocky Bayou Christian 51, Havana Gadsden 47: Travis Kearney scored 21 points and Ben Larremore put in 10 to lift the Knights (11-1) to a 9-0 record in the East Division of the Panhandle Christian Conference.

"We played like pros in the first half," Coach Paul Struwe said about a 29-19 lead, "and the other team played like pros in the second half and almost beat us."

In the junior varsity game, Rocky Bayou (8-4) topped Gadsden 40-32.

Gadsden Havana 51, Rocky Bayou Christian 40: Heidi Mallory scored 15 points and Leslie Richardson 11, but the Knights could not overtake the Crusaders in the Panhandle Christian Conference game.

Rocky Bayou 58, Maranatha 46: At Tallahassee, Travis Kearney scored 17 points and Danny Adkins added 14 to improve the Knights' record to 12-1, 10-0 in the Panhandle Christian Conference.

Despite having four starters in foul trouble in the first half, the team built a 49-25 lead by the end of the third quarter.

The Rocky Bayou JVs (8-3, 7-2) beat Maranatha 44-25.

Rocky Bayou 38, Maranatha 20: At Tallahassee, Leslie Richardson scored 12 points and Dolly Tullidge and Christy Smith grabbed six rebounds each to lead the Lady Knights (9-3, 7-3 Panhandle Christian Conference). Lori Bilby had four steals.

Bible Baptist 51, Rocky Bayou 46: At Rocky Bayou Christian School, despite having three players score in double figures, the Knights (12-2) fell to the school from Gulfport, Miss.

Ben Larremore scored 14, Travis Kearney 12 and Danny Adkins 11 for Rocky Bayou.

The Rocky Bayou JV (11-4) defeated Bible Baptist, 60-24.

Rocky Bayou 37, Bible Baptist 25: At Rocky Bayou Christian School, Heidi Mallory led the Lady Knights (10-3) with 10 points in beating the school from Gulfport, Miss.

Dear Parents,

On Wednesday, November 30, the Art Department will be going to Pizza Hut for a Going Away Party for Mrs. Golden, our Assistant Art Teacher who will be leaving RBCS for Alaska. Your child will need to bring enough money for lunch on that day.

Also, we are asking each child to bring in \$1.00 to contribute towards a gift for Mrs. Golden. Please sign this form and return tomorrow, November 29, with the \$1.00 (cash only, no checks, please).

Thank You.

Christine Bass

Mrs. Bass

Dear Mrs. Bass,

I received your letter regarding the Pizza Party.

- ☐ Yes, my child may participate.
- ☐ No, I prefer my child not participate.
- ☐ Enclosed is \$1.00 to contribute towards a gift.

Dear RBCS Parents,

Rocky Bayou Christian School is God's instrument in the lives of many young people and is a lighthouse in our community. With that thought in mind, I would like to share a need with you and to offer you an opportunity to be a part of meeting this need.

As many of you are already aware, our school gymnasium is in great need of recarpeting the area around the basketball court. The present carpet is so badly worn that it constitutes a safety hazard. The cost of purchasing a professionally installed, high-quality, durable carpet is \$7.25 per square yard. For the 740 square yards required, the total cost amounts to \$5,365.00. We need to raise the necessary funds by December 15, 1994, to have the carpet installed over the Christmas holidays.

Please prayerfully consider making a donation for one or more square yards of carpet. If making your donation by check, please make your check payable to RBCS, earmarked "Gymnasium." With each family making a donation, we can work together to get our gym facility up to the standard of excellence that God desires at Rocky Bayou Christian School.

Thank you for your help in meeting this need.

Dear Parents of RBCS Choir Students:

This Thursday night, December 1, 1994, the Rocky Bayou Christian Academy Choir will hold their annual Christmas Concert at Rocky Bayou Baptist Church, located on Highway 285, a quarter of a mile north of RBCS. Concert time is 7:00 PM, but students must be at church no later than 6:15 PM to warm up.

All girls are to wear their choir dress with no necklaces or dangling earrings; boys are to wear black pants, long sleeved white shirt, black socks and shoes. Cummerbunds and bow ties will be given out the night of the concert. Students will be docked points for not being in proper dress and for being late to church.

Choir students will sing at Thursday's chapel so need to bring their outfits Thursday to school. Parents of choir boys need to pay \$12.00 directly to Mrs. Maria Mosley for the black satin cummerbund/bow tie sets. Cummerbunds and bow ties are being made and will be ready for Thursday's chapel performance.

If you have any questions, please feel free to call me at 678-7712. Thank you for your cooperation in helping us to have a successful concert.

Dear Parents of Lower Elementary Students,

Friday night, December 9th, the elementary children will be presenting a music Program entitled, "Christmas". The program will be held at Abundant Life Church at 7:00 PM. The church is located at 233 NW Hill Avenue in Ft. Walton Beach. Coming from Niceville on Lewis Turner Boulevard (Beal Street), turn right onto Martin Luther King Boulevard (the former Freedom Way) and continue to the end of Martin Luther King Boulevard where you will come to a BIG Abundant Life Church sign. Turn right at the first street past the sign. The name of the street is Butler St. and it is an unpaved road. The dirt road leads back to the church. (If you go as far as Lovejoy Road, you have gone too far.) Students need to be at the church at 6:30 PM. An offering for some equipment needs of the music department (e.g. rhythm instruments, handbells, computer with mixi capabilities, etc.) will be taken.

Program participation is a major percentage of the music grade for the quarter. All children are expected to be present. Absences from the program may be excused only with parentally explained emergency. Parents, if you know your child must be absent, please call the RBCS Lower Elementary office to give notice (678-7712). Children will need to wear Sunday dress clothes: girls - dressy dresses; boys - dark pants and light shirt with tie (no coat required). No tennis or track shoes, PLEASE!

The children have been practicing very hard and are very enthusiastic about their program. I know everyone who comes will enjoy their enthusiastic spirit. Please feel free to invite your family and friends, especially any prospective RBCS parents. If you have any questions, please call the school, 678-7712.

Focus on reading at RBCS

Special to the Beacon

Rocky Bayou Christian School celebrated National Young Reader's Day Nov. 16 with many activities emphasizing good literature for young readers.

Students from second through sixth grades kicked off the day with a parade of characters. Students dressed as a character either from a favorite book, or from a book they were currently reading.

Other special activities such as poetry for appreciation, and poetry written by students themselves were planned by individual classes.

A highlight of the day was the judging of the character parade. The judges chose the following winners:

Michael Godwin had the most original costume from a fiction book. He was Captain Ahab from *Moby Dick*.

Miriam Mosley received recognition for her self-made costume. She was Huck Finn.

Timothy Hamilton received recognition for a character in a biography. He was Lou Gehrig.

Gabriel Pineiro received recognition for a Bible character. He was Goliath of Gath.

Dear Parents,

December 5, 1994

This week we will be going to Abundant Life Church each morning for our Christmas program practice. We will leave on the bus around 8:30, and will return to RBcs around lunch time. Therefore, due to practicing, you won't see many papers this week. For the same reason, I may not be able to read with each of them, so... enjoy the break!!

Also, please make sure your child eats a good breakfast, and gets plenty of sleep, so our practicing will be at its 'best.

This week we will study:-

Bible Verse: Luke 2: 10-11

History: Paul Revere - God's World

Science: Continue to study animals

Language: Sentence writing

Phonics: review of rules

Have a wonderful week! I look forward to seeing you Friday night!

Hello again from second grade,

A brief on next week's activities include:

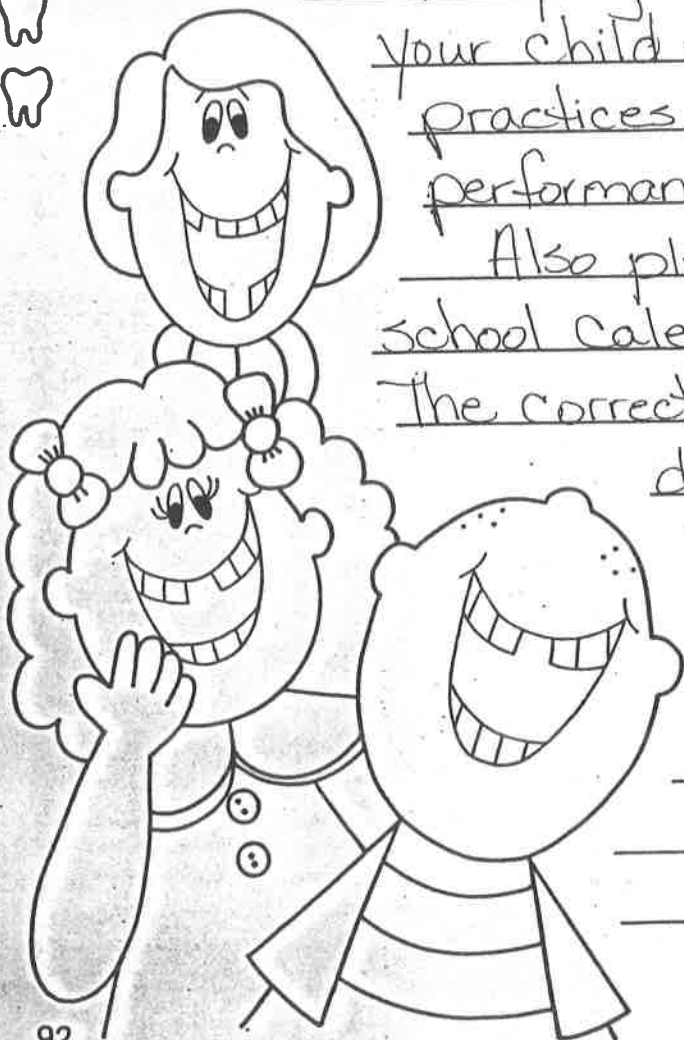

Christmas program practice at Abundant Life Church. Our practice days will be December 5-9. Our practice hours will be 8:15-11:25(a.m.)

If your child has an individual role in the program please insure that your child will be faithful to all practices as well as the actual performance.

Also please note the original school calendar had an error in it.

The correct Christmas vacation dismissal date is 11:45 Tuesday, December 20th. Please correct your calendar if you have the old one.

God bless you

Dear Parents of Third Graders,

We are having a special art project next week. The children in both Mrs. Brown's and Mrs. Gregory's third grade classes will be making graham cracker gingerbread houses. This is a very enjoyable project. The children each make a creative "work of art" that is fun in the making, displaying, and eating.

We will need each participating child to contribute \$1.50 for the graham crackers, frosting, and candy decorations. The money needs to come in as quickly as possible, preferably by Friday, December 9. Cash is preferred but if checks are sent they should be made out to Amy Gregory. Your child will also need a shoe box for this project in which to take his gingerbread house home. We will do this project on Thursday morning, December 15, at 8:30 AM.

We could use help with this project. If you can help, please call Mrs. Gregory at 862-3773. Please fill out and return the form below as soon as possible. Thank you.

Dear Choir Parents:

Just a note to let you know of some additional performance dates for the Academy Choir. Wednesday, December 14, we are scheduled to sing at the Destin Health Care and Rehabilitation Center from 10:30 - 11:00, and Friday, December 16, we will sing at the Santa Rosa Mall from 11:30 - 12:00. It has been suggested that the choir go out to eat after they sing at Destin and at the mall. I would like your feedback on that suggestion, please.

We will also be singing (**mandatory performance**) at Forest Lake Bible Church, Sunday, December 18, at 7:00 PM (arrival time 6:00 PM). We will be singing the entire cantata at this performance.

One other possibility that has arisen: the choir (or part of it) has been asked to sing at the Niceville Rotary, on Thursday, December 22 (that is during Christmas Vacation). I need to know ASAP if there will be enough students available for us to do this.

Please feel free to give me a call if you have any questions about any of these dates (678-7712 - school, 689-0459 - home).

Dear RBCS Friends and Families,

I hope this holiday season will be a special time for you this year with family and loved ones, and that in the midst of all the holiday activities that you will be reminded afresh of God's great love for you!

Recently I was involved with re-stringing lights on a Christmas tree. It seems that the lights on the entire bottom half of the tree were out and since our family likes its trees extra heavy on the lights, I had quite a job trying to locate the problem. As I worked, I was pondering how I could encourage those folks who give faithfully to the Annual Fund to not grow weary in well doing (Gal. 6:9,10), and how I could motivate others who have not yet been a part of our Annual Fund campaign to join with us. After all, there are so many worthy ministries that depend on the generosity of God's people and none of them ever say, "That's enough. Well done, good and faithful servant -- no need to send more money."

As I considered these things, still working on the lights, I realized how that corporately we are similar to a string of Christmas lights. When all the lights are working properly the electricity is channeled through the entire strand giving forth a beautiful light, but when only one or more lights are not functioning properly the entire strand malfunctions concealing the glorious light that could be. You may be just a little light on a great tree. Maybe you don't have megabucks to give to the RBCS Annual Fund, but if you have even a little to contribute, you keep the current of God's blessing and provision going, allowing God's current of blessing to flow through you to others.

When we began the Annual Fund campaign over three years ago, our plan was simple. If everyone could give even a little on a regular basis, we could make big progress toward retiring debt, improving facilities, and enhancing faculty salaries. Several families have been extremely generous in their Annual Fund giving. Others have faithfully given a modest but very helpful amount on a regular basis. Regretfully, most have not responded at all leaving our tree with a lot of dark spots. If each RBCS family would make a gift of \$100 per year or \$10 per month, we could easily reach our goal of \$40,000 for this year. The goal is attainable. Please ask God what your part is in reaching the goal.

We appreciate you and pray God will bless you and prosper you during the holidays and in the New Year!

Merry Christmas and God bless you,

Sylvia Mobley
