Grade Levels	Tuition
3 rd – 6 th	\$2,025
7 th – 12 th	\$2,450

Full-Time Tuition is due prior to the start of classes but may be also paid in the following manner: If not paid in full in advance, the initial payment will be \$900.00 for all grade levels. The remaining balance will be billed in equal installments in amounts required to ensure the entire amount is paid-in-full by April 1st of each year. All payment plans will be handled by FACTS tuition management. Payments will be debited automatically from your checking/savings account or charged to your credit card at the time of registration or on the 5th of each month. If you choose to pay tuition monthly, there will be a \$30 per family per year fee from FACTS. Your tuition account will be charged the first business day of each month and once charged, that amount becomes non-refundable. Regardless of grade level, all tuition rates are per student; no discounts are available (such as prepayment, multi-child, alumni, staff, etc.).

For Grade Levels 3-6th: Tuition rates apply to a maximum of six classes per semester (for more than six classes, please contact the Business Office for rates).

For Grade Levels 7th-12th: Tuition rates apply to a maximum of seven classes per semester (for more than seven classes, please contact the Business Office for rates). The above rates are for seven (7) classes not six (6) as is typical for the lower grades or other schools. RBCS Online Academy allows for seven classes in order to meet the credit requirements for a diploma. The standards for an RBCS diploma are higher and more rigorous than almost any other school and therefore the need for the additional class load.

Individual Classes or Partial Class Load: Individual Elective or Bible classes (one credit) are available. All tuition and fees must be paid in full in advance prior to the start of class(es) and are non-refundable.
