\* Additional camps may be added at any time.

\*In the unlikely event that a scheduled class does not meet the minimum student participation requirement, you will be notified in advance and given the opportunity to switch to another camp or request a full refund.

\*If Summer Programs become impossible to perform by either party because of acts of God, declared war directly impacting the school, unforeseeable government regulations, disaster, strikes, civil disorder, curtailment of transportation facilities, or other emergencies making it illegal or impossible to provide the programming, summer programs may be terminated for any one or more of such reasons by written notice from one party or the other.
